St. Jude's Raises Over Five Thousand

Grass Lake News

by ARDEEN HARRIS
(312) 395-2761

This is the month of spring vacation, with all the snow on the ground it's hard to think about getting the lawnmower ready and planting flowers.

Congratulations are in order for the entire community and for the eighty-seven students who participated in the St. Jude's Math-A-Thon. \$5,024.66 was raised by Grass Lake School! Because of this amazing effort, a gold plaque stating "In Memory of Christopher Dent" will be placed at the St. Jude Children's research hospital in Memphis, Tennessee. The top collectors at Grass Lake School were: Jennifer Lentine, Grade 1, Colin Dent, Grade 2, Suzette Johnson, Grade 3, Ali Arnold, Grade 4, David Komperda Grade 5, Michael Quast, Grade 6, Korrine Madden, Grade 7 and Michele Skrypt, Grade 8.

On March 19 at 7:30 p.m., the Grass Lake PTO is proud to present the amazing Paul Lee Magic Show. This is no ordinary magic show, Paul, with the wave of a wand, will amuse and astonish you with his fantastic tricks, and would you believe, levitation on the Grass Lake stage? This special performance of Paul Lee is free of charge. Residents of the Grass Lake area with pre-schoolers, are welcome, people with grandchildren are welcome, in fact, anyone interested in magic is welcome to attend. The Grass Lake PTO has also invited the Emmons and Lotus PTO. So mark March 19 on your calendar and plan to attend. Attention scout groups, 4-H groups and avid roller skaters. The Antioch McDonald's is having a special promotion in conjunction with the Twin Lakes Roller Rink. Go into McDonald's and purchase a Big Mac and you will receive a coupon for free admission to the roller rink. When you go up to the Twin Lake Roller Rink, they will give you another coupon to take to McDonald's to "buy a Big Mac and get one free". What a deal! Stop in McDonald's for more information.

Brownie Troop 1366 had an exciting day on Feb. 19. They held their Thinking Day Ceremony along with the Junior Girl Scout Troop. After the Flag Ceremony, the girls explained the exciting world of scouting and the awards were presented. The Junior Girl Scouts who received their Unicorn Patch for M & M sales this year were: Kathy Benes, Karen Celkis, Amy Dogan, Beth Enright, Clarissa Kasprzak, Alicia Lundgren, Jennifer Mosier, Jennifer Brausam, Amy Martin, Jennifer Rogan, Jessica Stella, Angie Stricker, Aimee Kitto, Christina Flores and Hope Turk.

The program was then turned over to the Brownies who have worked very hard for the following awards: World Association Pin, Blood-the Gift of Life Patch, Blood Patch Segment, Parade Patch, 85 Carolling

Patch, Women are History Patch, Juliette Low World Friendship Patch and Unicorn Patch for M & M sales. All of the girls have been working very hard to earn these patches and deserve congratulations. Congratulations to the following Brownies: Sandy Benes, Beth Boerman, Jamie Brausam, Kelley Brausam, Kendra Charts, Wendy Charvat, Tara Christopoulos, Sabrina Day, Kellie Dixon, Laura Edelman, Kari Fehrenbacher, Kristen Franzen, Cynthia Jones, Jennifer Lentine, Lois Morreale, Tammy Mazzuca, Lisa Priller, Rebecca Sheldon, Erica Wagner and Sandra Weibel. After all the awards were presented, everyone was invited to taste the international goodies baked for this event. Remember Girl Scout Cookie sales will be starting Feb. 27 through March 10 with delivery April 8-14. The cookie price is \$2 per package. Please help support your local Girl Scouts by purchasing cookies from them.

Pack 80 had an exciting Blue and Gold dinner on Feb. 23. Everyone pitched in and the food was excellent and the meat was prepared by Nancy Dogan. The Pinewood Derby winners were first place-Richie Castillo; second place-Brade Priller; third place-James Mazzuca; and fourth place to Jeff Fleshman. Joan Ward's Den had the following awards presented to them at the dinner, Brad Priller-1 gold arrow and one silver arrow; Jeff Fleshman-Wolf Badge-one gold and one silver arrow, Adam Marsella-Wolf Badge-one gold and six silver arrows, Alex Grob-Wolf Badge-one gold and two silver arrows, Josh Wolf-Wolf Badge-one gold arrow, Justine Ward-Wolf Badge-one gold and two silver arrows and Chris Dogan-Wolf Badge-one gold and two silver arrows. Cindy Vandrusch's Den received the following awards: Adam Day-Bear Badge-one gold and four silver arrows, Jason Kaufman-Bear Badge, Jeff Gembars-Bear Badge-one gold and four silver arrows, James Mazzuca-Bear Badge-one gold and one silver arrow, and Matt Vandrusch-Bear Badge-one gold and five silver arrows.

Joe Marsala's Webelo's also worked hard all year and they received the following awards at the Blue and Gold dinner. David Komperda-Webelo Badge, Naturalist, sportsman, traveler aquanaut and engineer badge. Richie Castillo-Webelo Badge-engineer, sportsman, traveler, aquanaut, forester and naturalist badges. Joe Split-Webelo badge, engineer, sportsman, traveler, aquanaut, showman and naturalist badges. Congratulations to you all for all the hard work in earning your badges. Also, congratulations to all the volunteers for helping these boys make their accomplishments. Now that

the Blue and Gold dinner is over, the Pack is gearing up for the annual Spaghetti Dinner which will be held on April 20. Tickets will be on sale soon, so watch for the scouts coming around and treat yourself to a delicious dinner.

Congratulations to Pam and Danny Clark on the birth of their new baby girl, Katherine who was born on Feb. 16 at 3:30 p.m. The Grass Lake eighth grade class will be sponsoring a Book Fair from March 7 through March 12. A large selection of books for kindergarten through junior high will be on sale at reasonable prices throughout each day. Students from Grass Lake School will be taking home a list of book selections and prices on March 6. Parents are invited to stop by during the Book Fair to look at and to purchase books. The proceeds from the Book Fair will be applied toward the eighth grade class trip.

Congratulations to spelling bee winner, David Clauson and the alternate Michele Skrypt. These students will represent Grass Lake School at the Lake County Sectional Spelling Bee to be held at Round Lake High School on March 11 at 7 p.m. This is the annual spelling bee sponsored by the Chicago Tribune. Congratulations David and Michele and good luck at the sectionals!

A reminder from the school, please be sure to call the school office if your child is going to be absent that day. You should call everyday your child is not at school and within the first two hours of the school day.

The Grass Lake School Board will have their March meeting on March 11 at 7:30 p.m., at Grass Lake School.

March 19 will be the next meeting for the dental assistants in the area. They will have their meeting at Columbia Bay at 6:30 p.m. and their speaker, Dr. Carl Hagstrom will speak on Forensic Dentistry at 7:30 p.m. Call Jeannie Holbeck for more information.

There will be a special meeting at the Antioch Community High School on March 10 regarding the Illinois School Reform Package. This meeting will start at 7:30 p.m. All feeder schools into Antioch High School should take note on this meeting. The Harris family would like to thank everyone for their kindness last week. Jim's dad, Selma Harris passed away on Feb. 19 at 82 years old. He will be dearly missed. Remember to call with your news!

Schedule Dinner

Members of the Antioch Mental Health Association ask persons in the Antioch Community to mark their calendars and reserve May 17 for their annual Cotillion.

Chairman Dorothy Teister, announced the Cotillion will be held at Harbor Ridge in Antioch. A very special part of the evening will feature Antioch's own Lloyd Pedersen.

Klondike Winners

Members of Antioch Boy Scout Troop 92 show off their first and second place trophies that they won at the Lakes District's Klondike Derby. Troop 92 fielded two patrols in the 18 patrol competition, and one patrol taking both first and second place is unprecedented in the derby's history. The event included contests in such activities as firebuilding, orienteering, ice rescue, knot tying, puddle jumping, first aid and sled racing.

Troop Wins Derby

The two patrols of Antioch's Boy Scout Troop 92 captured an unprecedented first and second place in a field of 18 patrols at the annual Lakes District Klondike Derby.

At this event, each scout patrol brought a home built Klondike style sled to Camp Oakarro (Rosecrans). They followed a map across a course that consisted of a series of tactical problems.

The eight problem events

included firebuilding, orienteering, ice rescue, knot tying, puddle jumper, first aid, a sled race, and an evaluation of the patrol's sled and equipment. Each problem was worth 50 points for meeting the criteria of team work, leadership, use of patrol resources, proper use of equipment, and overall behavior. In addition, a maximum 15 point bonus was awarded for having an authentic Klondike sled.

Troop 92 is sponsored by Antioch's Loyal Order of Moose Lodge 525. Support for Troop 92 events is partially derived from the proceeds of the paper drive conducted at the VFW trailer near Antioch's sawmill. The troop is grateful to area residents for bringing their newspapers (no books, cardboard or slick-print ads please) to the trailer.

Designate March 16 As Easter Seal Day

Antioch has officially designated March 16 as Easter Seal Day in order to kick off fund raising efforts for the program. A buffet dinner is scheduled to mark the beginning of these efforts.

One of the most attractive features of this program is the fact that all of the money raised for Easter Seals in Antioch stays in Antioch. There are currently 15 Antioch residents who are benefiting from the Easter Seals Program. Not included in this figure are Antioch children with speech defects, that are enrolled in a rehabilitation program in Lake Villa School.

Last year, Michael Warren's Century 21

staff, with the help of local businesses and individuals raised approximately \$5000 and ranked ninth in the nation as fund raisers for Easter Seals. There were some contributions received from the surrounding area which made the effort a Lake County effort.

Michael Warren and his Century 21 staff will host their Second Annual Easter Seal Benefit Buffet Dinner on March 16. The dinner will be held at the Country House in Antioch from 4:30 to 6:30 p.m. The event will feature a Mini Auction and entertainment by the "Jump in the Saddle Band." A donation of \$12.50 will be charged for each ticket. To buy tickets or make donations call 395-5900.

Chandler's Announces Spring Fitness Classes

Chandler's Family Fitness Center announces spring classes for adults and children, beginning March 10.

The center, located in the Linden Plaza, Lindenhurst, has fitness classes for everybody, mind and spirit.

Some of the area's finest instructors have been hired by Chandler's to teach their wide range of programs.

Bob Roth, baseball coach for the College of Lake County, will be teaching the fundamentals of baseball to children, ages five through 12.

Alyce Brownlee, former world baton twirling champion, and coach for last year's baton twirling team

will dazzle five to 17-year-olds with her expertise.

A class in soccer fundamentals for ages four through 12, will be instructed by Roger Noon, a semi-pro soccer player and coach for 30 years in England and the U.S.

Antioch Upper Grade School's gymnastics coach, Beth Berg will instruct children ages three through 12 in tumbling.

Trudy Graham will share her many years of knowledge in a yoga class.

Martial arts classes for ages six through adult will be instructed by Tom Meyers. His sessions will emphasize character development, self awareness

and self defense. Meyers will also teach a women's class in self defense.

Chandler's also offers aerobic dance and exercise, and body shape and tone classes. These are taught by Larry Porter, Esther Gerretsen and Reanate Lazaretto. All are excellent classes.

Ballet classes for children and adults are taught by Bobbi Pinka, who has had many years of experience teaching basic through advanced ballet.

Chandler's Family Fitness Center has the world's finest weight machines (Nautilus and Universal), a Polynesian therapeutic whirlpool, a luxurious dry sauna, a Klassun sunbed and professional instructors to assist clients.

Stop in or phone Chandler's at (312) 356-5115.

CLC Initiates 200 Area Students

Nearly two hundred students were initiated into Phi Theta Kappa, Alpha Alpha Pi chapter, on Feb. 23 at the College of Lake County (CLC), Grayslake.

In his address to students, faculty and family members attending the ceremony, college President John Hunter called it a "celebration of excellence."

"The college is proud of you because you have a good idea of that ancient Athenian definition of achievement: 'the full exercise of creative powers along lines of excellence,'" Hunter explained.

Phi Theta Kappa is a national fraternity with the goal of nurturing academic excellence. CLC has had a chapter since 1974 with membership now totaling over 1,000. This year's officers are: George Lucas II, president; Brenda Tait, vice president; Eric Olsen, secretary; and Joe Milahovic, treasurer.

The organization is sponsoring three scholarships and the April 18 Honors Convocation. In addition, PTK is co-sponsor of the Media and Ethics in South Africa presentation by BBC journalist, John Coker, who will appear at the college April 10.

The following area students were among those initiated:

From Antioch—Judith Lynn Dobnikar, Sally Erickson, Julie A. Gavine, Karen L. Holl, Norma Moore, Janice J. Okrusik and Lois Ariel Willen.

From Fox Lake—Kelly S. Kolodziejczak, From Grayslake—Robert F. Heinz, Jr., Tracy A. Jensen, Alice Kumm, George J. Lucas II, Dianne Lui, Eleanor Stenberg and Mark A. Todd.

10 reasons why you should maintain and increase your newspaper advertising when business is slow.

1. Whether business is good or slow, you have to get your share of whatever business is around. Cutting back your advertising puts you at a disadvantage at the very moment when you need an edge. Increasing your advertising gives you the edge.

2. In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy; they want information about products, services, prices and values. The best source is newspaper advertising. Yours—or somebody else's.

3. Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the customer's dollar with very other retailer in town, no matter what he or she sells. People have only so many dollars to spend and if they don't spend them for what you sell they'll spend them for something else.

4. There are more people working now, than ever before. More women working, too, adding to the family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share—and yours.

5. You can't do much about most factors in the marketplace: rent, labor cost, price or merchandise, what the competition will do. But one thing you do control is your own promotion. Remember that newspaper advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.

6. Remember how long it took you to get started? Once you build up a business, you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public's awareness you'll find it's much harder to build it up again. It's sort of like starting all over.

7. Your advertising is part of your sales force. Newspaper ads help to pre-sell the customers and help you close the sale faster. What saves you time saves you money.

8. You say your customers know you and for a while at least they'll keep coming in even if you don't promote? That's partly true, but shortsighted. Remember, one out of five Americans moves every year. ~~So there's a steady flow of your customers out of your market, and a corresponding influx of new folks who don't know you at all. Tell them about yourself.~~

9. Here's a hard fact to chew on. Over any given period, a business that advertises below the industry average has sales that are below the industry average.

10. Advertising is "news" — about products and services. Your customers look for this kind of news in the pages of Lakeland Newspapers. In plush times, retailers often experiment with other media. But when the going gets tough, they concentrate their efforts in the newspaper because it provides an immediate payoff at the cash register.

CALL YOUR LAKELAND NEWSPAPERS' ADVERTISING REPRESENTATIVES. WE'LL HELP YOU PLAN A PROGRAM THAT WILL PAY DIVIDENDS IN ADDITIONAL STORE TRAFFIC AND INCREASED SALES.

Schedule Guest Artists To Appear In Concert

Stars Of Tomorrow Beauty and Talent Pageants will be conducting its final 1986 preliminary competition on April 6, at the Holiday Inn, 6161 W. Grand Ave., Gurnee. Registration time is noon.

The pageant is open to all young people between the ages of two and 19, and includes competition in beauty, talent and photogenic possibilities. This is the official preliminary to the Illinois State Finals which will be held in Peoria, June 11-15.

Contestants between the ages of two and 19 will be divided into seven age divisions. Mini-Pixie: two-three, Pixie: four-five, Little: six-eight, Junior: nine-11, Teen: 12-14, Miss: 15-19. The Little King Division is for boys three to nine years of age. Entrants into the talent and photogenic portion of the competition will be judged separately.

Winners in each division will receive crowns, banners, trophies and their entry fees paid into the state finals. Alternates will also be chosen in each division, and every contestant will receive a gift. State winners will compete in August at the 1986 National Pageant, which will be held in California.

The 1985 Illinois State Winners will be special guests and will be crowning the new preliminary winners.

Contestants must be pre-registered by phone or mail on or before the April 1 deadline.

To register or receive additional information, write or phone: Karen Steiner, Illinois State Director, Stars Of Tomorrow, 4872 Birch Ave., Rockford, Illinois 61111, or call (815) 877-5258.

Lifeguards

Foss Park District is in need of lifeguards for the opening of its 1986 pool season. The district will be offering lifesaving classes on Tuesdays and Thursdays from 5:30 to 7:30 p.m. and on Saturdays and Sundays from 1 to 3 p.m. beginning March 11 until April 25. Participants must be 16 years of age and older. For more information call (312) 689-8100.

The College of Lake County (CLC) Jazz and Wind Ensembles will present their ninth annual Guest Artist Concert, March 9, at 7:30 p.m. in the Orange Court on the Grayslake campus.

Appearing as guest soloist will be Bill Porter, Chicago jazz trombonist and former member of the Stan Kentor, Woody Herman, and Buddy Rich Big Band.

College Schedules Saxophon

Jamey Aebersold, nationally known saxophonist and authority on jazz education, and Tim Bell, director of jazz studies at the University of Wisconsin-Parkside, will be guest clinicians at the sixth annual College of Lake County (CLC) Jazz Festival/Clinic to be held Saturday, March 8.

High school jazz groups from Warren, North Chicago, Grayslake will perform and be critiqued by the clinicians from 1-4 p.m. Aebersold will present a special clinic on jazz improvisation from 4:15 p.m.

All events are to be held in the Orange Court of the Grayslake campus and are free and open to the public.

Adler To Fete Guitars

Ripe for the Pickin', a trio which made its concert debut at Adler House last summer, returns for two shows, at 7:30 and 9:30 p.m. on Friday, March 7.

Featuring Steve Budde, Jim De Wan and Cliff Landis, Ripe for the Pickin' specializes in old-time tunes played on guitar, fiddle, banjo and mandolin, and in tightly woven three-part singing of traditional and gospel songs.

Also making a return visit will be Peter Clemens, a guitar wizard from St. Louis who will open both shows.

Andre's 'Jukebox' Jammed With Musical Nostalgia

Stage Review

by GLORIA DAVIS

Anyone into the current rage of music nostalgia will appreciate Andre's Dinner Theater's latest offering, a musical review featuring numbers from way back in the 1940s to the early 1970s.

Five very talented members of Andre's repertoire group, Fantasia Productions, take the audience musically through the last four decades in "Jukebox Saturday Night."

The premise is a good one as the stage setting never changes from "Ron's Place." The passing of time is cleverly signified with the change of menu prices on the wall placards and the different car silhouettes in the window.

The jukebox that takes up center stage merely changes its title tunes and the size of its records.

Virginia Zymonas is probably the most professional cast member, she looks good, sounds good, moves well and has good stage presence.

The other two gals, bubbly Missy Spengel and versatile Kathi Knopp deliver in the singing and dancing department but in reality the limited stage space turns the dancing into mostly rhythmic moving.

Knopp (please get all the dark hair under the blond wigs) and Zymonas were in Fantasia's musical review last year, "Glitz, Glamour and Glitter." This one is much the same except for a change in music and the other three members of the cast.

The problems are the same as last year

with the show starting on a high note, sliding slowly in the first three acts and slipping badly by the time the finale comes.

A well-done musical review has more dialogue than silly one liners (and not enough of those) tying the musical offerings together and it takes superstars to hold an audience's interest with one song following another for over two hours, turning the review almost into a concert.

Again I felt as if the show was put together as the five cast members sat around the table and listed all the songs they had ever wanted to do. As in last year's review, more than one-third of the show should have been deleted, eliminating the mediocre and keeping in just the good stuff, (and there was plenty of that) leaving the audience on an upbeat.

George Richardson and Craig Spengel did fine in the voice department. Again they move like singers. Some of their gags fell flat and Spengel should polish his "Elvis" impersonation and cut it down to one well-done song.

Actually, since I am one of those nostalgia buffs, I enjoyed hearing those old tunes played by the outstanding pit band led by Dianna Koenig on piano, John Steinspring on drums and Chris Strong on guitar.

The program fails to list the other guitarist and the man who made the best sounds of all, "Mr. X" on a mellow saxophone.

I would have loved to spend the last hour just dancing to their music.

"Jukebox" can be seen on Friday and Saturday nights, accompanied by Andre's usual delicious culinary delights.

Jaycees Getting Ready For Easter Bunny Brunch

Lake Villa-Lindenhurst Jaycees will be hosting their third annual Easter Bunny Luncheon on March 29. The Easter Bunny will be ready to greet the children at 11 a.m. sharp, at B.J. Hooper school, 2400 Sand Lake Rd., Lindenhurst.

Prior to lunch, Alyce's All Star Baton Twirlers from Lake Villa will entertain. This group, directed by Alyce Brownlee, has won several championships, including 1985 Illinois State Team Championship, 1985 National/World Team Championship, and 1983 Hawaii International Team Championship.

The girls, ranging in age from six to 17, have also won numerous solo events. They have been seen on Bozo's Circus, where they delighted adults and children alike.

The price of tickets for the lunch, which includes hot dogs, chips, milk and a special Easter dessert, is \$3 per person, for both

adults and children. Seating is limited, so ticket reservations will be filled on a first come-first served basis.

Everyone attending must have a ticket, and no tickets will be sold at the door. All children must be accompanied by an adult.

To make reservations, send a self-addressed stamped envelope with a check payable to the Lake Villa-Lindenhurst Jaycees to: Easter Bunny Lunch, 1840 Maplewood Dr., Lindenhurst, IL 60046, noting how many adults and how many children will be attending.

Tickets requests cannot be honored after March 22. There will be a door prize, and the Easter Bunny will be handing out gifts to the children.

The luncheon concludes at 12:30 p.m., in time for those who wish to participate in the Village of Lindenhurst's annual Easter Egg Hunt, which begins at 1 p.m.

The Bottom-Line IRA

We Dare Other IRAs To Beat It!

A lot of IRAs offered today look mighty tempting. But when the smokescreen of bonuses and gimmicks has cleared and all the horns and whistles have stopped blowing, the only important thing is the bottom line... the amount your IRA will be worth at maturity. You will be surprised at how those gimmicks disguise a low yield. We've checked our competition on IRAs carefully. The "bottom line" is that most of them can't top the high yields of Skokie Federal IRAs...pure and simple.

At current rates, a deposit of \$2,000 in our 3-year IRA would yield a tax-deferred \$2,590 at maturity. The same contribution to our 5-Year IRA would yield a tax-deferred \$3,196. We think you should check the "bottom line" wherever you open your IRA. Give us a call or stop in for

actual comparisons...or call our competition. You'll find you are further ahead with the Bottom-Line IRA from Skokie Federal.

Term	Annual Rate %	Annual Yield %	\$ Yield at Maturity*
3 Year	8.50	8.999	\$2,590
5 Year IRA	9.25	9.831	\$3,196

Low \$500 Minimum. Interest Compounded Daily.

*Based on \$2,000 contribution at beginning of year at rates available as of March 6, 1986. There is a penalty for early withdrawal.

Duck Blinds:

waterway, and most structures built on its surface fall under the jurisdiction of the Illinois Department of Transportation's Water Division, who require a permit for just about anything that can be built upon the water. However, as a bow to the jurisdiction of Illinois Department of Conservation, duck blinds are specifically excluded from this law.

What this means is that there are areas on the Chain where duck blinds can be built under absolutely no regulation. Because of their location and designation as duck blinds these structures allude the jurisdiction of virtually every agency that has authority in the Chain.

"It is definitely a problem," said Don Goodwin, a Conservation Police Officer, "there is nothing in state law that requires someone to take down a duck blind."

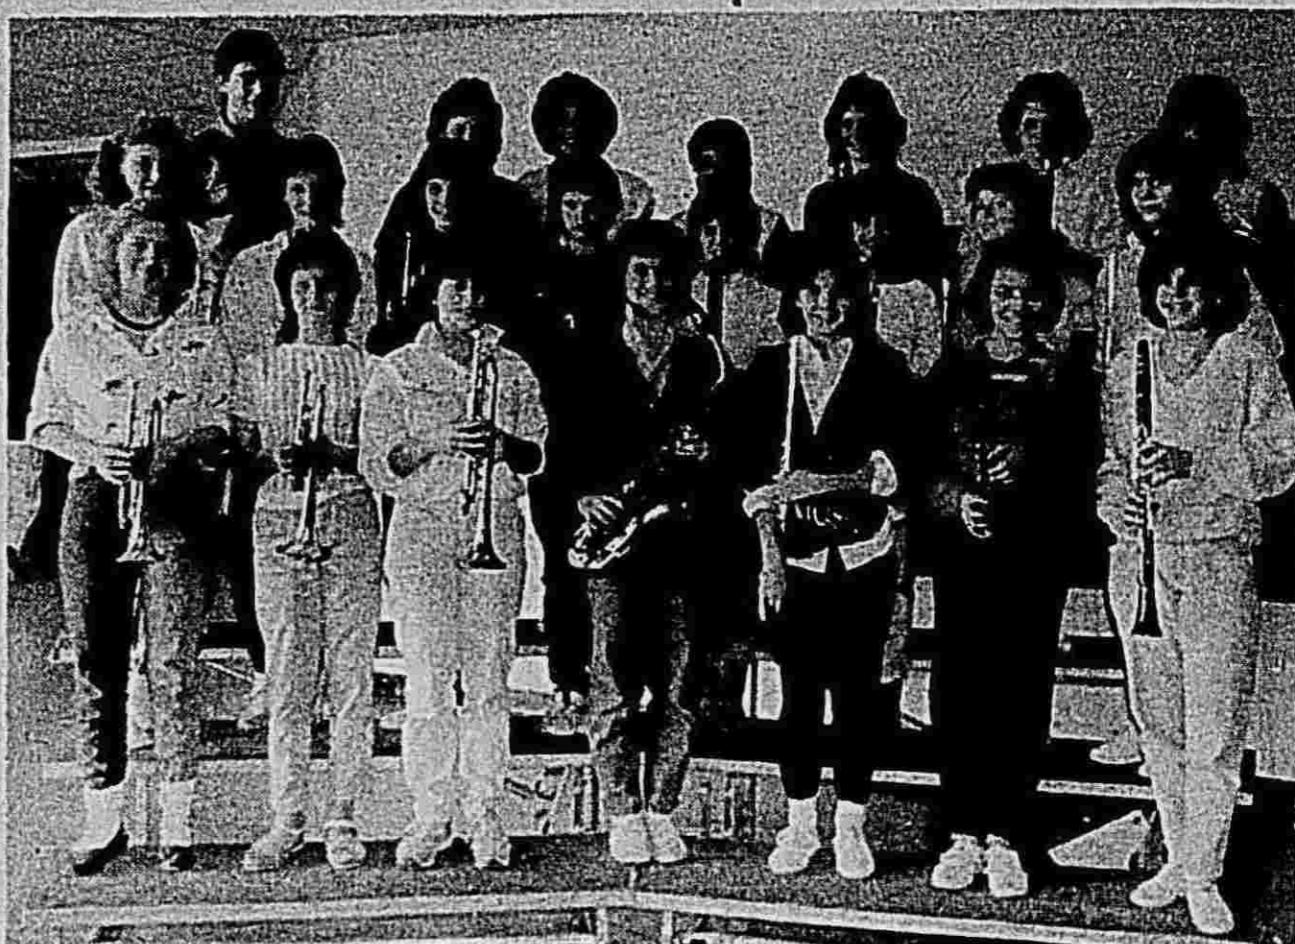

There is one agency, however, that is trying to change this situation. The Chain O'

Lakes-Fox River Water Management Agency hopes to have some sort of regulation on the books before the next hunting season. Since the agency has replaced the Illinois Senate Chain O' Lakes Committee, they feel that they have jurisdiction in this matter.

"We are definitely going to do something," said agency chairman John Soffietti, "we will exercise jurisdiction in this matter until someone in authority tells us not to."

Soffietti said that the agency will set up a committee of duck hunters who will draw up an ordinance which they feel will be appropriate to the situation. Sometime in the summer the committee will special hearings where they will present the ordinance to the public and respond to their comments.

Soffietti said he hopes to have an ordinance passed before duck season begins next November. Until then, boaters, and snowmobilers will have to proceed with caution in certain areas of the Chain O' Lakes Waterway.

Band Brings Home Medals

The members of the Antioch Upper Grade School Band proudly pose with the instruments that helped to win 33 first place medals at a contest held at Barrington Middle School on Feb. 22. The band also won four medals for perfect scores attained by: Meghan Baker (flute solo), Tanya Tointon (trumpet solo), Lisa Cook and Tera Forth, (trumpet duet).

Medals Galore

The Antioch Upper Grade School Choir and their director Keith Cox stand next to the medals they won at a contest at Barrington Middle School on Feb. 22. The choir brought home seven first place and five second place medals for solos, and 25 first place and seven second place for ensembles. The choir is also proud of the three perfect scores that were attained for solo performances. The student who achieved these scores were Ed Haley, Jamie Edwards, and Heather Kappler.

Historical Society Still At State Bank

The Lakes Region Historical Society will hold their regular meeting at the State Bank of Antioch on Feb. 27.

The society originally planned to begin holding all of their meetings in the old Antioch School house but are unable to because of lack of space in the building. The Restoration Committee of the society has reported that it takes close to 40 man hours to move all the societies artifacts out of the way in order for the meeting to take place.

Because of this Mel Knirsch said that the society will continue to meet at the State Bank at least until September and possibly for an indefinite period of time.

The society also announced that all 44 of the windows in the old school house have now been replaced at a cost of \$400 apiece. Some organizations donated money for the windows, but most were donated by individuals. Knirsch said that he is overwhelmed by the support area residents have shown for the society.

The society has also announced some new acquisitions to their collection of artifacts for the school house. These include an antique hotel bureau in perfect condition and several dresses, including a school girls dress from the turn of the century which is in perfect condition.

Antioch School Band Wins Big In Contest

The Antioch Upper Grade School Band came home from a band contest at Barrington Middle School with over 33 first place medals on Feb. 22.

According to band director Earl Bush, the band competed with about a dozen different schools at the contest including schools from Fox Lake, Fox River Grove, Woodland, Barrington, Oak Grove, Cary, and Wauconda.

Among the 33 first place medals awarded were four medals for perfect scores. Meghan Baker received a perfect score for her flute solo, Tanya Tointon received a perfect score for her trumpet solo, and Lisa Cook and Tera Forth each received perfect scores for their trumpet duet.

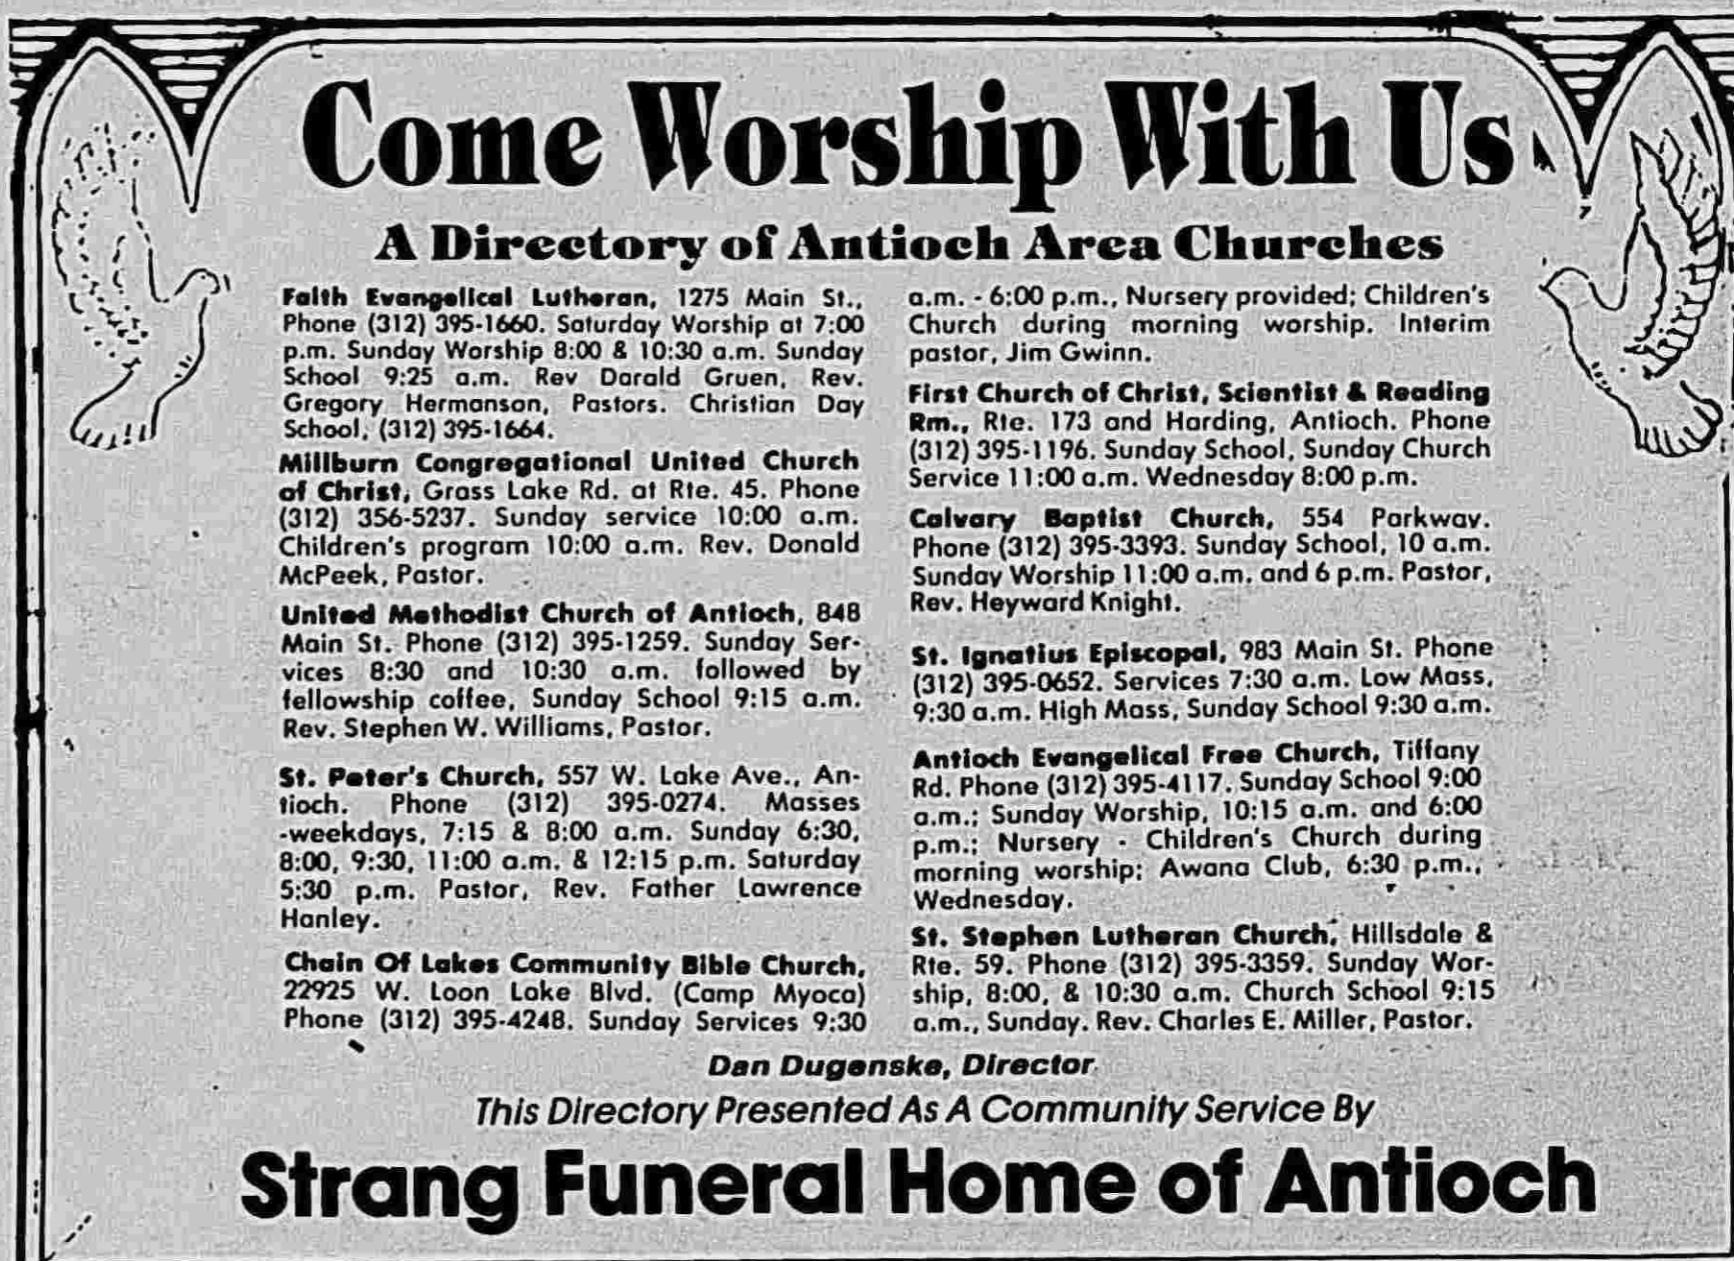

The Antioch Upper Grade School Band has attained other honors as well. It has been invited to compete in the West Virginia Strawberry Festival in Buckhannon West Virginia. According to Bush, the band will not be able to attend this event due to lack of funds.

The band will next compete at Round Lake Senior High School on March 8.

The band will hold a special concert on March 21, at 7:30 p.m. in the Antioch Upper Grade School gymnasium. The concert will feature Jim Swearingen, a high school band director from Grove City, Ohio who has written music for marching, jazz and concert bands for the past 10 years. The fee for the event will be 50 cents.

Suhey To Speak Antioch Civic Leader

Tickets are now on sale for a special Antioch Lions Club dinner that will feature Matt Suhey, running back for the world champion Chicago Bears.

The Lions will hold their dinner at the Country House on March 24. Cocktails will begin at 6:30 and dinner will be served at 7:30. March 24 is a regular meeting night, but the Lions will dispense with meeting business early in order to get on with the events of the evening.

Besides a two hour speech by Suhey, the evenings activities will feature a drawing for door prizes.

Suhey will talk and answer questions about the Bears

magnificent '85-86 season and how the Bears plan to remain as a football dynasty for years to come.

Tickets for the dinner are \$15 each and can be obtained from Lions Club members. No tickets will be sold at the door.

AARP Hears Ullrich

The Antioch area chapter 387 of the American Assn. of Retired Persons (AARP) met on Feb. 25. President Sam Lombardo presided over the meeting.

The bake association's sale was a big success.

There is free tax aid and counseling available to all seniors in our area. An appointment must be made however, so consult the bulletin board in the Senior Center for the phone numbers.

Bob Ullrich, of the state AARP Legislative Committee, attended meetings on insurance rates down in Springfield. He spoke about the rising cost in insurance rates and the cancellations of public liability policies that will be affecting everyone.

Pearl Roach and Clara Haling are in charge of the AARP mini library. Please contact them for more information.

Suggestions for a new name for the Kitchen Band are needed. So think about it and submit it at the next meeting on March 11. This is also the St. Patrick's day party. A catered lunch will be served.

Host Dinner

St. Peter's Catholic Church will host a Joseph Table, a buffet style dinner, in the family room in St. Peter's School after the 9:30 a.m. mass on March 9. The meal will begin with a blessing of the food. The fee for the dinner is \$5 for adults and \$2.50 for children under 12. Proceeds will go towards helping the needy.

Thank You

THANK YOU TO everyone who sent cards, flowers, and candy to me during my stay at Victory Memorial Hospital and N.I.M.C. A special thanks to the Antioch Rescue Squad for their dedicated volunteers, and all who visited and sent their prayers.

Antioch civic leader, Irene V. Hahn Seemann, died on Feb. 28, at the age of 43.

An Antioch resident since 1966, Seeman was a member of the United Methodist Church in Antioch, a member of the church choir, a co-chairwoman of the organ committee and a member of the Wesley Evening Circle.

Seemann was also a member and past president of the Antioch Woman's Club as well as membership chairwoman of the Woman's Club 10th District, resigning this year. She was also a member and corresponding secretary of the Past Presidents Club of the 10th District.

Seemann served as chairwoman of "Today's Woman," 10th District; member of the nominating committee of the 10th District from 1981 to 1984; chairwoman of the Ways and Means of the 10th District from 1978 to 1980. She was also attended many state conventions over the years and worked on the convention committee with her friend Phyllis Cossarek. Seemann was also a very active member of the PM's Theater in Antioch.

On Aug. 3 1984, she married William H. Seemann in Antioch. She is survived by her husband William of Antioch, four

sons, David Hahn of Antioch, Brian Hahn of Antioch, Christopher Seemann of Antioch, and William Seemann Jr. of Foster City California; her parents, Stanley and Marie Oke of Brookfield; one brother, Stanley A. Oke of Batavia; two sisters Edythe Skokna of LaGrange and Bonnie Yoder of Chicago; and 17 nieces and nephews.

She was preceded in death by two sons, Daryl G. in 1966 and Randall W. in 1983.

Funeral services will be held at 11 a.m. on March 3, at the United Methodist Church in Antioch with the Rev. Stephen Williams officiating.

Open Variety Show

Members of the Antioch Community High School Jazz Ensemble and the cast of "Jazz Journey" are putting the finishing touches on their Variety Show which will open March 6. "Jazz Journey" will be the 12th Variety Show staged at Antioch. The first Variety Show, titled "That's Entertainment" was produced in 1975.

"Jazz Journey" will open on March 6 at 7:30 p.m. in the Antioch High School Auditorium. The show will also be presented on March 7 and 8 at 7:30 p.m. Tickets are \$2.50 adults and \$1.50 for students.

Host Tournament

Antioch Upper Grade School will host the I.K.W.F. State District Wrestling Tournament on March 8. Weigh-in will be from 8:30 a.m. to 9:30 a.m. with wrestling starting at 10 a.m.

Participating schools are Antioch, Cardinal Wrestling Club-Woodstock, Warhawks-Woodstock, Harvard, Lake Bluff, Lakeland Cardinals-Fox Lake, and Loves Park Harlem.

Admission will be \$2 for adults and \$1 for students. The top four place winners of each weight class will advance to the state sectionals in DeKalb on March 15.

Classes Begin

Antioch Parks and Recreation is announcing its Aerobics Class is heading into its second session. The classes are Monday, Tuesday, and Thursdays at 6:30-7:30 p.m. The class cost \$2 for each night of instruction. The instructor for the class is Theresa Weber at the Old Fire Station and the next session begins March 10. For sign up call Glenda at 395-2160.

Sex Offender Fined

Lake County Associate Judge Henry Tonigan sentenced Jay Michael Davis, 36, of Antioch to nine months in the Lake County Work Release Program and fined him for \$1000 after his fifth conviction on charges involving sexual misconduct with teen-age girls.

The latest incident occurred on July 23, and involved a 14-year-old girl at a Waukegan shopping center. At the time Davis was on probation for his fourth conviction. Davis was fined an

additional \$500 for violating his probation and his probationary term for the fourth conviction was extended for one year.

Assistant State's Attorney Kim Buol said that the latest incident was somewhat of a coincidence because the victim was interested in a modeling career when Davis approached her in the shopping center and asked her if she had ever thought of a career in modeling. Buol said that Davis then led the girl into secluded area at the

Announce III. Class

Antioch Parks and Recreation in cooperation with the Illinois Secretary of State's Office is announcing the new Rules of the Road Class. The class will be held at the Antioch Senior Center March 10, and March 17. One must attend both classes from 10 a.m. until noon and bring paper and pen. For sign up call Glenda at the Parks Office, (312) 395-2160.

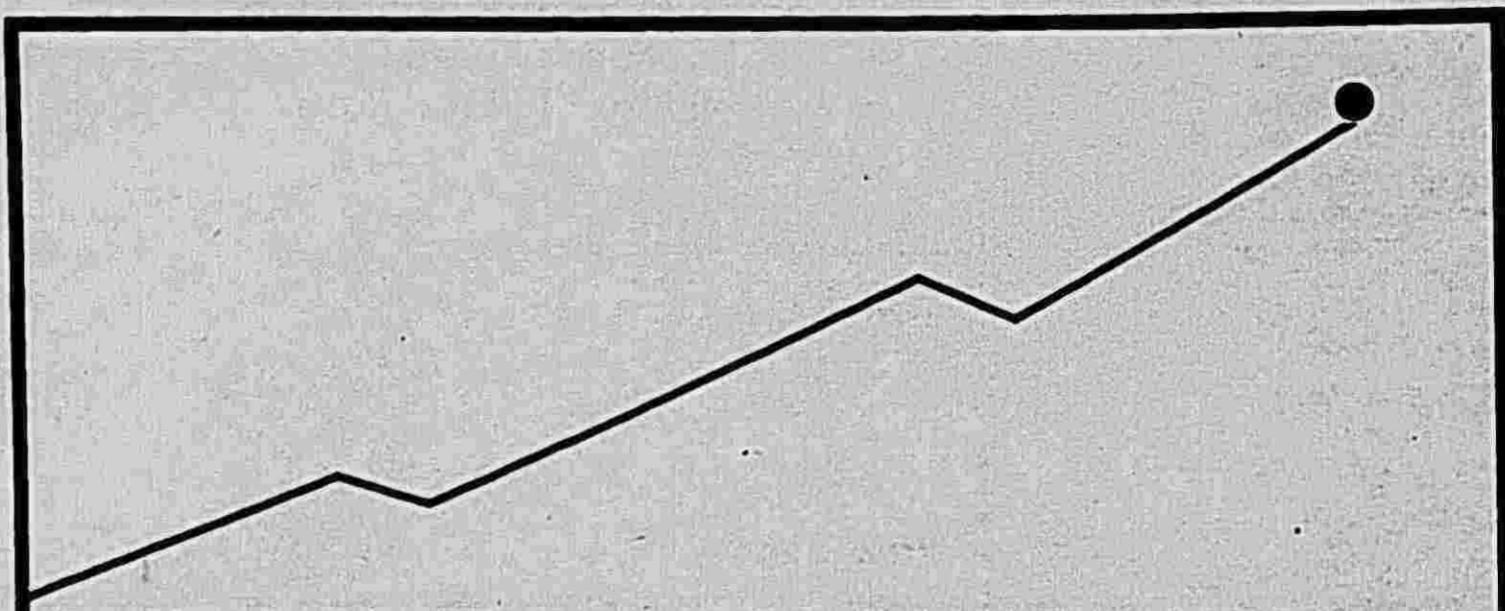

Antioch Parks and Recreation will also be having the Second Annual

Easter Parade March 22 at 10 a.m. Anyone wishing to have a float may call Glenda at (312) 395-2160 and register. The Easter Egg Hunt will be held at the Water Tower March 28 at 10 a.m. Children through age eight are welcome to bring their baskets and find goodies in the hay. There is no registration necessary for the Easter Egg Hunt. There will be a jelly bean contest as well for children through eight.

Host Seminar

The Antioch Jaycees will host a Time Dynamics Seminar on March 19 from 7-9 p.m. at the Antioch Public Library, 757 Main St. in Antioch. This course is designed to help you plan and use your time more effectively, and is especially useful for students or anyone else with a full schedule. This program is open to the public and ample seating is available. For more information contact John Van Haecke at (312) 395-0543.

Litwiler Lied, Candidate Says

A Waukegan Twp. Republican leader has charged that County Clerk candidate Donna-Mae Litwiler lied when she said he traded his vote for county GOP chairman in return for a state patronage job.

The charge was levied by Jack Diamond, a candidate for County Board Dist. 2 representative, a member of the cabinet of County GOP Chairman Robert "Bob" Neal and a long-time Waukegan Republican leader.

"In answer to her statement that Bob Neal promised me a state job if I supported him and delivered Waukegan, this is a lie that she made up," Diamond asserted.

Referring to the party balloting of March 1984, Diamond described the setting:

"I was--before, during and after--on total disability. I was physically unable to engage in gainful employment. The furthest thing in my mind was working for anyone. After rehabilitation many months later I went through state personnel for employment."

Diamond said he decided to speak out now about Litwiler's statements because she is seeking an important administrative post based on trust and integrity.

"I want the voters to know that Donna-Mae Litwiler is a liar," Diamond declared.

Diamond put the political climate of 24 months ago into perspective when Litwiler challenged Neal for the county chairmanship.

"If there were any doubts about who we in Waukegan were going to support, our minds were made up after both candidates spoke at our township meeting.

"I was told by Litwiler personally and she also made a statement to our organization that I would be appointed by her as vice chairman. I found out that she had promised several others the same position. Litwiler said that she had the total support of committeemen in specific townships. I also checked out her statement by calling the chairman. She only had a few."

Diamond also took issue with a statement made by Litwiler two years ago that the majority of the township chairman voted for her. Diamond said the actual vote was Litwiler 7, and Neal 9, with two absent who were committed to Neal.

The popular vote on chairman balloting of 270 precinct committeemen voting was Neal 173, and Litwiler 97.

County party chairmen are elected for two-year terms after the primary election.

The Waukegan Leader also stated that Litwiler's contention at the time that his "defection" cost her the chairmanship, ignored the facts.

Diamond said the weighted vote for chairman was Neal 18,128, and Litwiler 11,621. The Waukegan Twp. vote was 2,707. Subtracting this from the 6,507 vote difference would have given Neal a 3,800 edge, Diamond pointed out.

College Night Set For March 13

One hundred twenty four-year colleges, universities and trade schools will be represented at the eighth Annual College Night sponsored by the College of Lake County and several area high schools.

The annual event will be held Thursday, March 13, from 6 - 9 p.m., on the Grayslake campus. All area residents are welcome.

Herschel Wallace, CLC director of financial aid, will present information about applying for financial aid at 7 p.m. and again at 8 p.m. in room B-159.

Counselors from sponsoring area high schools will be available throughout the evening. This year's college night is sponsored by the following high schools: Grant, Wauconda, Grayslake, Antioch, Carmel Boys and Girls, Waukegan

East, Stevenson, Mundelein, North Chicago, Zion-Benton, Libertyville and Warren.

For more information, contact the CLC Counseling Center, (312) 223-7200.

Semmerling Gives Edge To Geary, Mestan

After hearing candidates for the Lake County Board from Dist. 4 at a Candidates' Night held by the Lake Villa Twp. Council of Assn. Presidents, Jim Semmerling is prepared to endorse Norm Geary and William "Bill" Mestan for those two seats.

Semmerling, Lake Villa Twp. road commissioner, is noted for his no-nonsense approach to government, cites Geary's integrity and experience and Mestan's business acumen as two of the factors which led him to support this team.

"Norm Geary has been on that County Board over 20 years as an independent thinker, not afraid to stand alone if he felt he had to for his people. He is a 'doer' in the real sense of the word--not just a lot of talk, but action to back it up. Norm Geary's positions have not always been politically popular with the reigning party in power but I like that. It shows courage. Some politicians would rather be popular than right," Semmerling said.

"When Lake Villa Twp. had its difficulty with a certain motorcycle gang a little while back, it was

Norm Geary who came out to investigate when summoned out at 11 p.m. I call that real dedication and concern," he added.

"Bill Mestan has a good business sense as well as the time to devote to the County Board. Good government should be run like a good business--high productivity and no waste. Government's profits should be measured in the well-being of its citizens," Semmerling said.

"To sum it all up, in Lake County we have a weak two-

party system of government. Therefore, we must choose independent thinkers and doers, not just rubber stamps to political pressure. Norm Geary has proven himself on all these counts over and over again and should be reelected to the county board. Bill Mestan displays the integrity and capabilities necessary for holding the public trust. I am not only endorsing these two men verbally, but I pledge my active support in their election," he concluded.

Clerk Choice: McConnel

Only one race in the March 18 primary election in either party is casting a shadow of interest. That is the contest between two distaff Republicans for the nomination for county clerk.

Dist. 4 County Board Rep. Donna-Mae Nix Litwiler of Ingleside and Village Clerk Venita McConnel of Wauconda are engaged in a spirited race to become their party's nominee to face incumbent County Clerk Linda Hess, a Democrat, in the November general election.

The fact that both are women and Republican is the only similarity between the two aspirants for county-wide office. On all other counts, Litwiler and McConnel are worlds apart in qualifications, character, experience in government, philosophy of public service and record in elected office. The differences should make it comparatively easy for GOP voters to make a choice on March 18. We urge that they choose

Venita McConnel as the best qualified candidate.

McConnel has demonstrated that she has the right attitude toward running for public office. She is committed and dedicated. As a township chairman and member of the county Republican steering committee, she understands the political process. She knows the importance of listening. Venita McConnel is a "no strings" candidate, beholden to no one. She has excellent business credentials for a demanding administrative post. Mrs. McConnel is attentive and gracious. Her record for honesty and forthrightness in private business, as a village clerk and service to her party cannot be challenged.

Republicans will do well by nominating Venita McConnel. She will be an outstanding candidate and, if elected, will make an outstanding public servant.

Going It Alone--Nicely

It was not surprising that a delegation from the Antioch Chamber of Commerce and Industry ran into a brick wall of opposition when inviting Lindenhurst businesspersons, gathered to discuss the feasibility of forming their own business organization, to join the Antioch chamber. The invitation, perhaps well-intentioned, was ill-advised and inappropriate.

Lindenhurst, one of the most rapidly growing communities in Lake County in recent years, has displayed a high degree of self determination to establish its own identity. To form a "boba" alliance with another business group would be backsliding, certainly incongruous in the present context of affairs.

The amount of past and projected residential growth has marked Lindenhurst as a social and political force in west Lake County.

Now it is on the verge of becoming an economic force as well. A good many leaders, including Mayor Robert Ratch, feel that it is time that a formal business organization be formed to direct and marshal Lindenhurst's growing commercial resources.

Lindenhurst has a full-fledged shopping center, Linden Plaza. Commercial enterprises are developing on the fringes of the original Grand Ave. retail sector. Financial services and other service facilities are growing. In time, without doubt, an employment center in the form of light industry, office and research will come. All indicators point toward growth and development.

The largest population center in Lake Villa Twp. has been doing nicely on its own. We wish it well in the quest for its own business organization.

Fire Reflections

Editor:

I heard the sirens and thought it must be a huge fire. A friend who owns a scanner called to tell me it was the Brass Wheel. A feeling of sadness quickly and quietly came over me. My first thoughts were of Tony, who I imagined would be frantically checking to see that everyone from upstairs was out of the building. Then he would just stand with everyone else who had gathered to watch a memory fade away. My thoughts were with Jo and Ricky, Granny, Jan and Karen, Nancy, Don and Ed, Dave and Sally, and all the good folks I'd met there when I tended bar for Tony.

I went to see the Wheel about 8 o'clock that night. I walked around the corner and it took my breath away. Not only did it hold memories for me, it was the kind of place that grabbed each and everyone of us who had worked there, lived there, danced there, ate there and stopped in to have a drink with a few good friends.

I hope the Scardino family can make it through this crisis, and I'd like to let them know my thoughts are with them. We had some good times there, didn't we Tony?

Graham Is Right

Editor:

In 1950 the population of Libertyville Township was 9913; by 1980 it had grown to 34,071, a 243 percent increase. During that same time period Warren Township grew from

4,373 to 22,591, an increase of 416 percent.

Last month John Cuneo Jr. said Mike Graham should be run out of town on a rail for trying to buy and preserve the Cuneo property for future generations.

I suggest Mr. Cuneo run Mike Graham north to Warren Township so that maybe we, too, could form an Open Space district before Warren Township also becomes a nightmare of homes, apartments, soaring school taxes and massive traffic jams. Graham is right, "Bigger is not cheaper!" In spite of the expanded tax base our growing population has created, our tax bills continue to soar at a much higher rate.

Important Vote

Editor:

I am a student at Grayslake High School. On March 18 there will be a referendum to determine if many activities will be continued for next year.

These activities are very important. They are what gives us spirit and pride about our school. The programs that are being cut will hurt more than the kids that participate in them. They will hurt all of us and our future.

I ask you to remember your high school days. Who gave you your memories? Where did you meet your best friend or take your first date? I suspect they are like mine, all centered around a very important time in my life, High School. Vote yes March 18.

Editor's Viewpoint

Newcomer In Race As Graham Foe, Friend Of Growth

by BILL SCHROEDER

On the basis of intellect, personal achievement, business stature and record in public affairs, Jerry Brunette is a natural for election to the Lake County Board, a body politic not always noted for an abundance of brainpower.

Brunette, the founder and owner of a successful forms and labels business located in Mundelein, has a two-pronged purpose of seeking a Republican nomination to represent Dist. 5:

He wants to make a contribution toward better government and orderly growth, and keep Mike Graham from creating further mischief in the governmental process.

A resident of Libertyville, Brunette was one of five candidates in the mid-county district including Warren, Libertyville and Vernon townships.

Brunette's public service record includes 15 years on the Libertyville Plan Commission and Libertyville Zoning Board of Appeals, including time as chairman of both bodies.

Brunette Graham

Brunette is as knowledgeable as any layman in the county on zoning and planning. He has played a key role in bringing his hometown to a position of prominence as to dealing with pressures for balanced growth and development. Brunette finds himself totally at odds with Graham's "no growth" philosophy and the veteran Libertyville politician's efforts to subvert municipal annexation and "seal off" prime development areas by use of township powers to control open space.

The curly-haired former Army captain who majored in mathematics in college puts his disdain and mistrust of Graham this way:

"Mike Graham is upsetting the ecology of government. He is steering his township into competition with other units of government where it doesn't belong. The end result will be huge tax costs to support his 'no growth' philosophy."

Brunette scoffs at Graham's anti-growth stance. "He's been fighting growth in Lake County for 20 years and where do you find one of the big growth areas? Libertyville, right in his own backyard."

The newcomer to public office also accused Graham of "buying" votes with his liberal public assistance policies.

"It's a matter of public record that Libertyville Twp. has the most residents in Winchester House and a general assistance expense that's way out of proportion. Consider this for a community that isn't exactly a pocket of poverty," Brunette emphasized.

Brunette discounted any high level politics involving the Lake County Republican hierarchy to induce him to run and become a running mate of Dist. 5 County Board Rep. Robert "Bob" Depke as has been rumored.

He said two long-time friends who are currently County Board members, Jim Doland of Libertyville and Pat Wilson of Mundelein, encouraged his entrance into county politics.

"I also studied the minutes of the last year's board meetings and decided the board needs more quality candidates. Lake County is big, big business. I think more business people are needed in government."

Brunette gave no credence to reports that his hookup with Depke was engineered by County GOP Chairman Robert "Bob" Neal.

With characteristic bluntness, Depke evaluated his running mate. "After more than 20 years in politics, I feel I know something about government, but Jerry's 'way ahead of me and everyone else on the County Board in a lot of things. We need him."

TOWN TO DOUBLE--Within the next three months, the Village of Lake Villa could about double in size, if an annexation under consideration goes through as smoothly as is expected.

Cedar Shores, a multi-use real estate development, contains 840 acres. The property, located on the north side of Deep Lake, is known as the Brandel Property, after a Chicago attorney, Paul Brandel, who once had extensive land holdings in Lake Villa and the Grayslake area. Brandel and a partner, A. Harold Anderson, founded the once-famous Aberdeen-Angus breeding establishment, Pickett Fence Farm.

Mayor Joyce Frayer says village officials aren't overwhelmed by the surge of growth which is anticipated to take Lake Villa's population from 2,000 to more than 7,000. Cedar Shores is envisioned as taking 20 years to complete. The enormity of the project helped sink the proposed 40,000 population Heartland Development that was an issue in Grayslake 10 years ago. That isn't expected to happen with Cedar Shores.

CAMPAIGN FUN--State Sen. Adeleine Geo-Karis, who never saw a parade she didn't like, reports that she is "loving every minute" of her campaign so far in quest of the Republican nomination for Illinois state comptroller.

"I've been to 10 downstate counties so far and it's been great," observed Geo-Karis, who has perfected a line that gets a solid response everywhere. "I tell the voters that if I'm elected, I pledge that Gov. Jim won't let our state get into financial trouble or I won't sign his paycheck."

The Zion Republican, who is unopposed in the March 18 primary, isn't daunted at all by the fact that she'll face incumbent Roland Burris, first black to attain state-wide office in Illinois and a highly regarded official. Geo-Karis mentioned that black voters are splitting on Burris because he treated Mayor Richard Hatcher of Gary, Ind., one of the most revered black leaders, in a high-handed manner in attaining a national Democratic party post.

★★★★★

SPRING TRAINING--The Rev. Laverne Cure, retired pastor of St. Bede's Church, will be taking in New York Yankee training games at Ft. Lauderdale, Fla., as part of his retirement vacation.

As a youth, he was known as Lefty Cure, a nifty southpaw pitcher for Leo High in Chicago, and a baseball fan ever since. Father Cure also was a left-handed quarterback on the Leo football team and threw passes when quarterbacks only blocked. "You can imagine the surprise of the other team when I'd run to the left and throw a left-handed pass," Father Cure recalls with a chuckle.

Today, his favorite football teams are Notre Dame and the Chicago Bears, and he attends as many games as possible. He also is the No. 1 fan among the clergy of Carmel High School, attending just about every Corsair home football and basketball game.

★★★★★

AUTO 'EXPO'--Automobile buffs are marking their calendars for a fleet showing of rare DeLorean cars July 25 and 26 for the public at the Cabriolet, Libertyville. The showing will be in conjunction with a national convention for DeLorean owners, the first ever outside California. Cabriolet owner Earl Young is a long-time collector of classic cars so the restaurant already is well-identified with show cars.

Smothering Mediocrity Clouds Dist. 4 Race

By JOHN STEINKE

Nevada primary voters have the option to cast a ballot for "none of the above" if they dislike all the candidates seeking the nomination for a particular office. It's a pity that Dist. 4 voters aren't provided with the same option in the March 18 primary. County Board Dist. 4 includes Antioch, Avon, Grant and Lake Villa townships in western Lake County. It is a predominantly Republican area with a bounty on Democrats and a monopoly on political mediocrity.

There was a time when Dist. 4 provided the County Board with brilliant and tenacious leaders with the likes of Ron Coles of Lake Villa, Harry Robin of Grant and George Bell of Fremont. Today, Dist. 4's County Board representation resembles a cast from the Greyhound Bus depot. Dist. 4 Reps. Donna-Mae Litwiler of Ingleside, Jim Fields of Antioch and Fred Popp of Lake Villa are party hacks of mediocre talents.

Six Republican candidates are campaigning for two positions on the County Board from Dist. 4 in the spring primary. The GOP nomination will be tantamount to the election because Dist. 4 Democrats haven't fielded any nominees for the November contest.

There are three sets of Republican aspirants. Veteran incumbent Norm Geary of Grayslake and political newcomer Bill Mestan of Fox Lake are campaigning as a team against Republican "bossism." The party regulars are supporting Avon Twp. Highway Commissioner Pat Anderson and Charlotte Kiesgan, the wife of the Grant Twp. Highway Commissioner. They accuse Geary of being a maverick Republican with a tyrannical personality. Two perennial losers are running as a ticket. They are former county board member Joe Tobolik and Ray Edwards of Antioch. They have promised to perform their "Laurel and Hardy" act in the courthouse.

Here are some of the reasons why you may want to hold your nose if you are going to vote in the Dist. 4 County Board race:

1. **NORM AND HIS SHADOW:** Norm Geary is the dean of the Dist. 4 Representatives with 21 years of service. He was

chairman from 1976-78. Geary has also been Avon Twp. Supervisor for the last 23 years. He may also be the biggest political hypocrite in the county. He is attacking Lake County Republican Chairman Bob Neal for sending a letter to a Florida judge pleading for leniency for a convicted drug smuggler from Antioch. Yet Geary joined with other Republican County Board members to defeat a Democratic-sponsored resolution censoring Neal for his letter. Norm, if you find Neal's letter so morally repugnant, why didn't you vote for the Neal censure resolution?

Geary asserts that Dist. 4 Republican Donna-Mae Litwiler "has a terrible record on the County Board." Two years ago, Geary vigorously supported Litwiler's unsuccessful campaign to be elected Lake County

Steinke On Politics

Republican Chairman. If Litwiler is such a poor public servant, why would Geary endorse her candidacy for the GOP chairmanship? Norm Geary also claims that Dist. 4 Representatives Jim Fields of Antioch and Fred Popp of Lake Villa are ineffectual county board members. Nevertheless, Geary pumped out the Grayslake vote for Fields and Popp when they faced a serious challenge from Democrat Barbara Lumber in 1984 elections. If Fields and Popp are such incompetents, why did Geary support their election two years ago?

In reality, Geary's hatred of his Dist. 4 colleagues has nothing to do with their performance in office nor is it related to high political principles. Geary believes that Litwiler, Popp and Fields cost him the County Board chairmanship two years ago when they refused to support his candidacy. It forced Geary to abandon his candidacy, and manipulate the election of Dist. 3 Republican Jim LaBelle to the chairmanship. Geary is desperately running for reelection because he is obsessed with

winning the county board chairmanship next December.

The veteran incumbent is also stressing the theme of "experience and qualifications" in his reelection campaign. The issue compromises the candidacy of his running mate: Bill Mestan of Fox Lake. Mestan is a nice guy, but he is a political novice. He doesn't know anything about the County Board. If Mestan is elected, Norm Geary will have two votes on the County Board. Can you imagine Geary and Mestan waltzing into the courthouse next December, with Norm humming that old tune: "Me And My Shadow?" Then Norman the Magnificent will seek the County Board chairmanship again. But can the 62-year-old Avon Twp. Republican cope with his County Board responsibilities? Geary is recovering from a coronary and major heart surgery. Perhaps, the voters should bypass Geary's candidacy this year.

2. **THE KNOW-NOTHINGS:** Charlotte Kiesgan and Pat Anderson are the most uninformed and unqualified candidates ever to run for the Lake County Board. Since they are the epitome of political mediocrity, the four Republican township organizations have endorsed their candidacies. When Publisher Bill Schroeder and myself interviewed Mrs. Kiesgan, we asked her about the responsibilities and finances of the County Board. She couldn't answer a single question. But "Char" has two "qualifications." First, she is from Grant Twp. whose party organization dominates Dist. 4 Republican politics. Second, her husband leads the Grant Twp. GOP precinct committee on behalf of Sheriff Robert H. "Mickey" Babcox. It doesn't matter that Mrs. Kiesgan doesn't possess the knowledge and the political skills to help Dist. 4 residents. What really matters to the politicians is that "Char" Kiesgan will be the symbol of Grant Twp.'s political supremacy in western Lake County. If elected, Mrs. Kiesgan will spend her time knitting at the County Board meetings while waiting for hand signals from GOP Chairman Bob Neal, Dist. 5 Rep. Bob Depke and Sheriff "Mickey" Babcox on how to vote on the issues and on the next chairmanship. Can you imagine "Char" voting for the next County Board chairman at the December organizational meeting? She will probably say: "Vote for Bob Depke. Knit one. Pearl two."

I have been a student of politics since I wore knickerbockers. The two most op-

portunistic and unprincipled politicians that I've ever met are: Pat Anderson and Circuit Court Clerk Sally Deadrick Coffelt. If you vote for Pat Anderson for the County Board, you are a candidate to buy shares in the Brooklyn Bridge. In my opinion, Anderson will replace Sam Payne (D-Zion) as the worst County Board member in the history of Lake County politics, if he's elected.

On April 5, 1985, Anderson was elected Avon Twp. Highway Commissioner on a ticket sponsored by Supervisor Norm Geary. Earlier this year, Anderson accepted the position of co-chairperson of Geary's County Board reelection committee. Reportedly, Anderson attended a township officials convention where anti-Geary people like Neal, Depke and Fields persuaded him to field a candidacy against his mentor. In my judgement, Anderson's County Board candidacy is the height of political betrayal.

Anderson of Grayslake has already betrayed the residents of Avon Twp. He was elected to serve a four-year term as highway commissioner in 1985. Under Illinois statute, only township supervisors can serve on the County Board. If Anderson is elected to the County Board, he will have to resign as Avon Twp. Highway Commissioner by Dec. 1, 1986.

Anderson will always be remembered as the Benedict Arnold of Dist. 4. Anderson will be loyal to you until something better comes along. Don't be fooled by his boyish charm.

LAUREL AND HARDY: The other two candidates are Joe Tobolik and Ray Edwards. They always reaffirm the time-honored political axiom: "Losers remain losers." Publisher Bill Schroeder has labeled Tobolik and Edwards as "the Laurel and Hardy" of county politics. They have proudly accepted this mantle of leadership. Tobolik and Edwards have promised "as County Board members we will stand on our heads to get the job done." Ray (Hardy) Edwards and Joe (Laurel) Tobolik aren't perceived as serious candidates in the primary election. Their only impact will be to split the anti-Geary vote.

So, that's the way it is folks. These are the choices: a power-crazed incumbent (Geary), a political Judas (Anderson), two unwitting rubber stamps (Kiesgan and Mestan) and two political clowns (Tobolik and Edwards). If you vote in Dist. 4, please preserve your political integrity. Don't vote for Pat Anderson. Finally, I will project the winner in Dist. 4: mediocrity.

ACT II

Dear Neighbor

In our last episode, we talked about what we feel a GOOD County Board Member should be, and that was, to be concerned about the basic everyday needs of the people they represent. We, who belong to many civic and fraternal organizations are dedicated to helping others, well understand the problems and solutions to many. There are many state and federal agencies that have funds available to help meet these needs. Remember, these agencies are funded by your tax dollar. It is your money, not charity. Between us, we have over 50 years of corporate, business and managerial experience, and have dealt with budgets exceeding 1,000,000.00 dollars. Academically, we hold several degrees related to higher education in addition to holding office and directorships in many civic and fraternal organizations. We have been honored on a statewide basis by some of these organizations. We feel that this is a tough act to follow, and that our qualifications speak for themselves.

Our most important qualification is that we care and take pride in our community. We are upset at some of the things we read about in the news media concerning Western Lake County which reflects adversely on all of us. There are many little people with smaller minds that believe that the people of our district are controlled by a handful of politicians that send out a day or two before election day a sample ballot telling us what number to punch.

We, the people of District 4, must demonstrate to the people of Lake County that we are not owned by, or obligated to any person. That our vote is ours to do with as we CHOOSE. We understand the meaning of credibility and integrity. This will be demonstrated on election day, Tuesday, March 18th. And this will set the record straight. Don't miss our next episode. It will be of interest to you.

Grocery List Can Save You Money

I can't figure out why so many shoppers fail to make a grocery list. I don't recall the last time I traveled to the supermarket without one.

It's got to save you money--period. In addition, it doesn't leave to memory key ingredients for an important chicken dinner.

Even though I based my findings on a most unscientific survey, I suspect the results would be the same in most sections of the country.

I used the simple look-and-see method. At one supermarket, I counted 20 people shopping without a list, 16 with. At another, I spotted 13 without a list, eight with. The tally ran about the same ratio for several outings.

I also learned that some shoppers:

Managed to fill their carts to the brim with a list in sight.

Clutched lists in the same hand holding their checkbooks.

Wrote on microscopic scraps of paper.

Failed to check off.

Made lists even though they bought enough items to qualify for express check-out lanes.

Have terrible handwriting like I do.

Oven-Fried Chicken Drumsticks

8 chicken drumsticks

1 container (8 oz.) sour cream
1 tablespoon lemon juice
1 teaspoon Worcestershire sauce
1 teaspoon celery salt
1/2 teaspoon salt
1/2 teaspoon paprika
1/8 teaspoon black pepper
2 garlic cloves, finely chopped
3/4 cup plain dry bread crumbs

Pilot Light
GREG MELIKOV

Preheat oven to 350 degrees. Wipe drumsticks with damp paper toweling. In medium bowl, combine remaining ingredients except bread crumbs. Dip drumsticks in sour cream mixture; dredge in bread crumbs, completely coating them. Arrange drumsticks in greased casserole and bake uncovered 30 minutes; turn over and bake another 30 minutes, until nicely browned. Serves four.

Cuddly Koala Isn't Really A Bear, But Still Cute

by CHARLENE WHITNEY

The koala may be the world's cutest animal as he looks sleepy and friendly and made to be cuddled.

He sleeps by day and eats by night. When a koala isn't eating, he is sleeping. He isn't a lazy animal as he seems. In fact, he has an astonishing amount of energy, especially when it comes to getting to his food. He may even leap through the air to get to a new tree.

Koalas are very fussy eaters. They only eat eucalyptus leaves, but of the 600 kinds, they only eat 35. These grow in Australia.

Some koalas will only eat two or three kinds if they are really fussy. If they can't have that, they just won't eat.

The eucalyptus leaves supply the koalas with

nearly all they need. These leaves are poisonous to most mammals, but koalas have special stomachs that break down the poisonous oils.

Pet Wise

They eat about two-and-a-half pounds of food a day.

The leaves also give the koala most of the water he needs. There are times when the leaves consist of nearly two-thirds water. So, it may be months before the animal actually drinks any water.

For years, zoos all over the world have tried to keep koalas. Most have failed as they couldn't give the koalas enough eucalyptus leaves.

If you wish to see koalas outside of Australia, they can be found in the San Diego and Los Angeles zoos. These places have been able to grow eucalyptus trees.

A full grown koala is two to three feet long and may weigh 10 to 30 pounds. No one

is sure how long they can live in their natural habitat, but guess about 20 years.

Many people think koalas are bears. They are not bears. It's not even close. The koala is in an unusual

group of mammals called marsupials. Their types carry their young in a pouch.

The young are born after 30 days as "unfinished babies." In about five (Continued on Page 6B)

minutes, the baby crawls into the pouch and attaches himself to a source of milk. There the baby will drink milk and grow for the next six months. He will finish developing. When he does come out into the world for the first time, he will be about eight inches long and covered with fur.

For the next two months, the baby will use the pouch to sleep in and for a place to hide. He'll drink the mother's milk for about a year, as well as eat eucalyptus leaves.

Mother has one great advantage with this pouch method. She never has to leave her young while getting food. The baby is safe in her pouch.

When the youngster gets too big to get in the pouch, the mother carries him on her back. His hands and feet become very strong so he can get a very tight grip.

The koala lives and climbs in the eucalyptus trees. They have no nests, but just wrap themselves around a branch and sleep.

The koalas' fur has the best insulation ability of any marsupial fur. They also

have lots of muscle in their arms and shoulders for hanging onto trees and climbing. In fact, they seldom come down unless there just isn't any other way to reach food. Koalas aren't comfortable on the ground and walk with an awkward swaying motion.

There are three different kinds of koalas. The three different types look different and eat different kinds of eucalyptus leaves. The koalas in the south are larger and have less fur.

The Queensland koala is in a warmer area located south of the equator. He is a lighter color.

The Victoria koala has a darker colored thick coat. He lives in the coldest part of Australia. He is also the largest type.

The New South Wales koala falls in between. He is the first type discovered and the most popular.

Set Women's Information Day

The Re-Entry Program of McHenry College has announced an appearance by Carol Kleiman, associate financial editor and columnist for the Chicago Tribune, at the College's Women's Information Day on Saturday, March 15. The topic of her address will be "Survival Techniques for the Working Woman."

Carol Kleiman originated the first column in the country to devote itself to the phenomenon of women in the work place. That was in 1967. She now writes two nationally syndicated columns that appear on the Chicago Tribune business pages. Her Sunday "Jobs" column is reported to be the only column of its kind in the United States. It surveys where the jobs are, what they pay and what employers look for. "Woman At Work" appears every Monday and concerns issues of importance to working women.

Kleiman is also a contributing editor of Ms.

Magazine and a regular commentator on WBEZ public radio. She hosts her own radio show, "Silver Threads," which deals with current issues concerning aging.

Women's Information Day offers more than just the chance to hear a woman of note speak on a subject close to the hearts of most women.

Carol Kleiman

It offers the opportunity to get acquainted with other area women, to view displays set up by local groups and organizations, and to attend seminars designed to reflect the interests of today's women.

Women's Information Day begins with sign-in, coffee and cake. Participants can come as early as 8 a.m. or anytime before the seminar sessions begin at 9:30 a.m. A luncheon, included in the cost of the day, begins at 11:30 a.m., followed by the talk by Kleiman. Afternoon seminars begin at 1:30 p.m., with the day wrapping-up at 3:30 p.m.

Register for Women's

Information Day in the MCC Registration Office, Rm. 140 of the college's Main Hall Building or call (815) 455-3700. The fee for the day is \$12 and includes morning and afternoon seminars of your choice, the keynote address and lunch.

It is also possible to buy a ticket just for lunch and the speech. The price is \$6.50 and can be arranged by contacting MCC's Re-Entry Program at (815) 455-3700, ext. 334, or stop by the Re-Entry Program Office, Rm. 143.

The deadline for registrations for Women's Information Day is Friday, March 7.

Model Railroad Club To Hold Open House

The Lake County Model Railroad Club, 107 Main St. (rear entrance), Wauconda, will conduct its annual spring open house on Saturday, March 8 and Sunday, March 9. Train operations will be open to the public from 11 a.m. to 6 p.m. each day. Admission is free.

At past open houses, the train layout's operation has drawn crowds of model railroad enthusiasts from metropolitan areas as far away as Rockford, Madison,

Milwaukee and Joliet.

Visitors are welcome to observe three to five trains operating simultaneously on the layout's mainline. The trackage consists of over 2800 feet of nickel silver rail spiked onto more than 60,000 individually hand-laid ties. Over five miles of electric wire is used in transmitting the electrical power to the track, signalling system and switches.

At the open house, the railroad's dispatcher will route the trains over the 350 feet of single track mainline and the 950 feet of secondary trackage using a master control panel consisting of 22 mainline blocks. The mountainous landscape, which the trains travel through, is constructed of approximately two tons of hydrocal plaster.

The numerous buildings and bridges on the "HO" scale layout are a combination of scratchbuilt, kit-bashed and kit structures made from wood, plastic and cardstock. Over 38,000 man hours have gone into the construction of this model railroad.

Junior High Dance

There will be a Junior High Dance on Friday, March 7, from 6:30-9 p.m., at the Round Lake Area Park Dist. Recreation Center. If you are a boy or girl age 12-14, come to the recreation center for some fun and dancing to the current tunes! I.D. will be required at the door along with admission fee of \$1.50. Adult chaperoned.

'All Aboard!'

The Lake County Model Railroad Club of 107 Main St., Wauconda, will conduct its annual spring open house on Saturday and Sunday, March 8 and 9. Over 38,000 man hours have gone into the construction of this model railroad. Train operations will be open to the public from 11 a.m. until 6 p.m. both days. Admission is free.

Offer Writers Program

The College of Lake County technical communications program is presenting a panel discussion on User Friendly Manuals as well as opening the Guest Speaker Series to the public, according to technical writing instructor, Judy Rosenberg.

The Spring Semester Panel Discussion will be held Tuesday, March 11, at 7 p.m., in Room A222, on the Grayslake campus.

The panel members, who represent the Society for Technical Communicators, are: Ken Cook, Jr., vice president, Ken Cook Co.; Sandra Lancaster, computer fellow, Chicago-Kent Law; and Gary Lawrence, publications supervisor, Sundstrand Aviation.

The annual Guest Speaker Series begins Monday, March 10, at 7 p.m., with Lee Wakefield, technical writer for Teletype Corp. His topic is Technical Reference and Terminal Selection Guides.

Sherwin Pakin, vice president, Sandra Pakin Assoc., will speak about Computer Software Documentation Consulting Tuesday, March 18, at 7 p.m. as the second in the guest speaker series.

For more information, contact Judy Rosenberg, (312) 223-6601, ext. 557.

Students Receive Degrees

The following 18 Lake County area students received degrees at Northern Illinois University commencement ceremonies at DeKalb in December:

Sheri Frydrychowicz, Antioch; Patricia Kay Kuzma, Grayslake; Colleen Rae Gavin, Wesley Jon Ley, Robert William Rozman and Brian Alan Simpson, Gurnee.

Rachel Denino and Kimberly K. Kirk, Lake Villa; Eric William Miller and Ronald V. Riesenweber, Mundelein; Emily Jane Rivera, North Chicago; Sandra Lynn Parsons, Wildwood.

Harry H. Siebel, Antioch; David S. Plyman, Grayslake; Vicki Den Exter Blokland, Island Lake; and Michael Francis Latham and Edward F. Slezak, Mundelein.

BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard-earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services. Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

What does this mean for satellite dish owners?

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment plus pay monthly service fees for each channel received.

Make your decision based on the facts.

Sequoits To Sectional; Round Lake Finishes At 21-6

The Antioch Sequoits advanced to the Rockford Sectional by defeating the Round Lake Panthers 62-57 in the regional final Feb. 28.

The Sequoits are the hottest team in the county at the present time, winning seven in a row, including the five-point overtime victory over the Panthers.

It didn't look good for Antioch in the beginning as Round Lake's Frank Ptak came out burning the nets,

scoring 12 points in the first quarter.

Although the game was deadlocked after one period of play (14-14), it seemed like the Sequoits were fighting an uphill battle.

Center Dave Grindley got into early foul trouble and had to take a seat on the bench sooner than Head Coach Don Zeman had wanted him to.

The second quarter belonged to Round Lake as

they outscored Antioch 18-13 to take a five-point lead (32-27) into the locker room at the intermission.

The turning point in the contest was the third quarter. Antioch came out just like Round Lake did at the start of the game and ripped the Panthers 18-9 to take a 45-41 lead going into the final stanza.

The Sequoits held that four point lead until 90 seconds remained in the game, which

is when the Panthers made their move and sent the game into overtime.

Ptak and senior Doug Sparks each scored one basket in those 90 seconds to tie it up at 55.

The overtime period belonged to Antioch as they outscored Round Lake 7-2 to win by five.

Senior Don Gunther led the Sequoits in scoring with 21 points, while Grindley had 16. The only other player in

double figures for Antioch was guard Mike McGrain with 12. McGrain played a steady game, as did reserve Rick Reitmayer for Antioch.

For Round Lake, the leading scorer was Ptak with 31. The only other Panther in double figures was Stu Sullinger with 10. Seniors Greg Kreitner and Sparks were held to 8 and 6 points respectively.

Both teams got to the finals by winning in the

opening round of the regional. The Panthers defeated the Grayslake Rams by a score of 78-58, while the Sequoits beat Grant 63-48.

The Sequoits play Woodstock on Wednesday, March 5, starting at 7:30 p.m., in the opening round of the Rockford Sectional.

The Sequoits are now 18-9 overall, while the Panthers finished with an impressive 21-6 mark.

Lady Bulldogs End Season

After building their hopes up with expectations of heading to state, the Wauconda High School girls varsity gymnastics team may not have closed their season with the hoped-for goal, but did achieve some record-setters in Bulldog history.

The varsity team finished 9-5 overall and 6-0 in conference. Junior varsity gymnasts came in 13-1 overall and 6-0 in conference.

Those who participated in the sectionals were Jenni

Samuels, Barb Hamill, Angie Schwan, Wendy Kohnke and Gina Erickson.

In vaulting, which has been the team's strongest area over the past season, Schwan and Samuels both fell while executing a double flow. Hamill fell twice while on the vault.

Samuels again suffered a setback in the floor exercises while attempting a back layout and going into a twist, putting her at 7.8.

"In vaulting, the team did the best ever in school

history," said coach Dick Barry. "They scored more total points on vaulting than we ever had in history."

Other teammates adding to the Lady Bulldogs' overall strength were Bev Olszewski, Jenni Jessogne and Heather Thelen.

"Hamill was all around and played every meet," Barry said. She was a leading point-getter on floor exercises."

Barry noted that the most improved gymnast was Kara Plemel.

WHS Wrestlers Improve

The Wauconda High School wrestling team wrapped up their season with an overall record of 6-9, and came in 3-4 in conference.

"Compared to last year's 1-15 record, the team did much better this year," said coach Tom Nance.

Standout players this season were senior Mark Stave (119 lbs.) who finished

the year with a 30-6 record.

He placed fourth at the sectionals at McHenry after losing an overtime match to Manuel Mata of Round Lake.

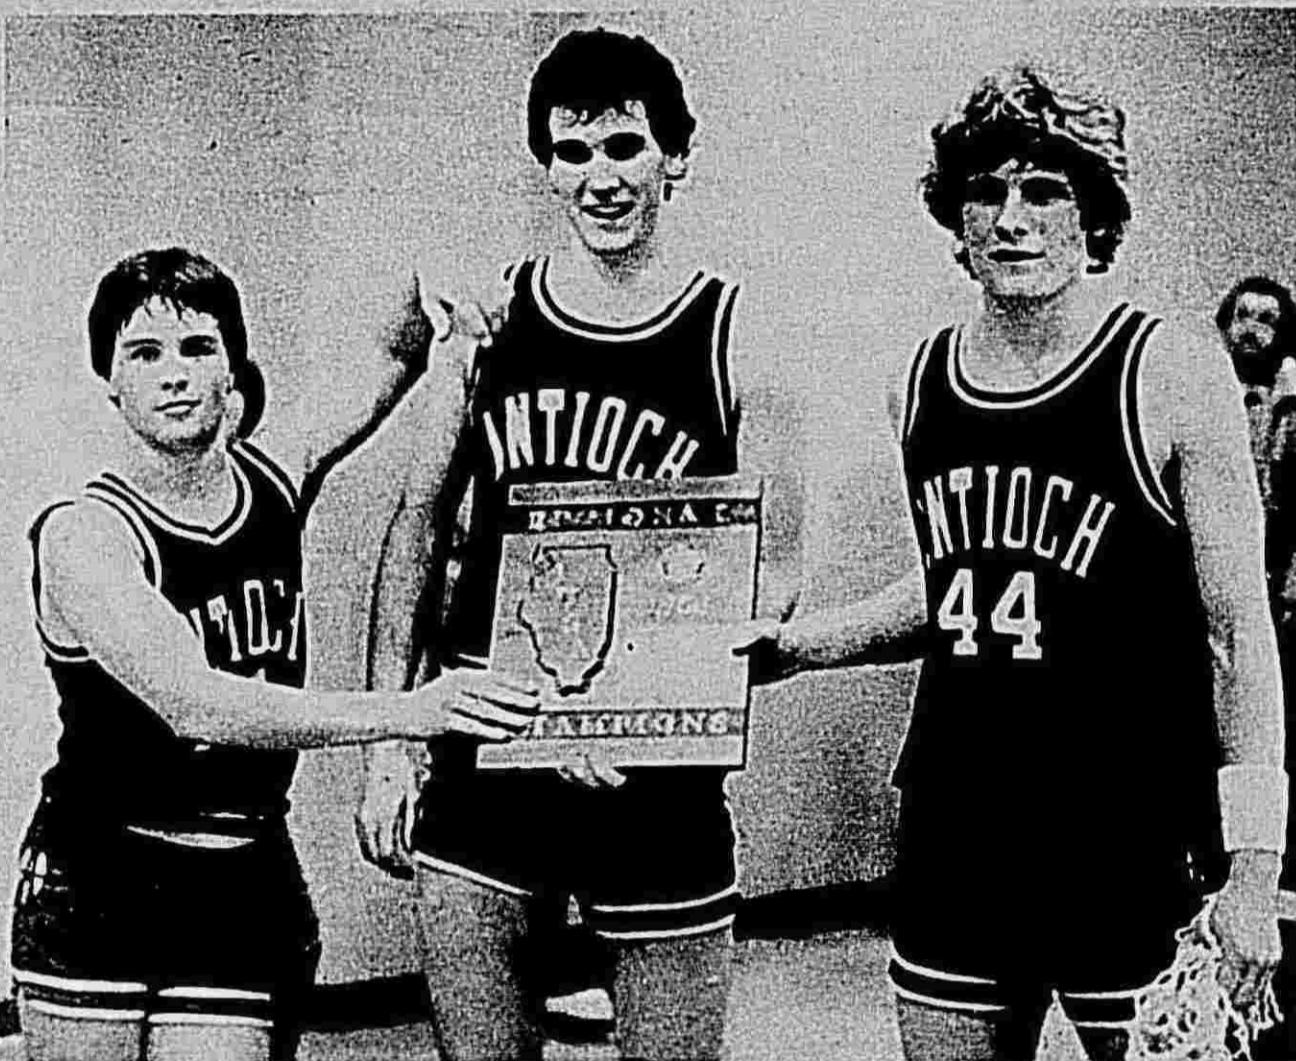

Junio Dan Torres (heavyweight) finished 18-9, taking third in district before he lost to Dave Gort of Grant at the sectionals.

Honorable mention went to Eric Carter, finishing the

season with 12-10.

Also on the team were Brett Howard (freshman, 98 lbs.), Matt Billen (sophomore, 105 lbs.), and Brian Harder (senior, 119 lbs.).

Returning players next year will be Tony Fout, Scott Lackey, Bob Burdick and Matt Torres.

Defense Gives CLC Title, Earn Regional Bye

College of Lake County's men's basketball team will be facing some of the top junior college teams in Illinois at the Highland Community College regional tournament March 8.

The Lancers, champions of their own sectional, received a first-round bye. They will face the Illinois Valley-Kishwaukee winner March 8 at 8:30 p.m. In the other bracket, Triton faces the Kankakee-Malcom X winner at 6:30 p.m. March 8. Winners square off for the title game March 9.

"The bye gives us a chance to scout them before we play them," coach Bruce Smith said of the first opponent. "Three of the teams - Kankakee, Illinois Valley and Triton have been ranked in the top three of the coaches' poll all year."

CLC used a strong second-half defensive showing in the second half to win its sectional championship March 1.

The Lancers, Skyway Con-

ference champions, found themselves trailing 36-24 at halftime to Harper before putting the defensive clamps on the Hawks and winning 77-65.

"Defense," CLC coach Bruce Smith said of the turnaround.

"Art Baker did a great job on (Rick) Elkins. But they've done it before. We were down by nine to McHenry and 14 to Triton," Smith said.

Harper's Elkins had been a showstopper in the first half, leading the Harper attack with 16 points. Most of his seven field goals came on wide open shots from the perimeter. But Baker, a sophomore from North Chicago, held Elkins to 6 second-half points.

Greg Washington, as usual, led CLC in scoring. His consistent game featured 14 points in both halves for 28. Baker not only turned the tables on Elkins on defense, but came up with 16 second-half points to

finish with 22. The two teams battled to a 24-all tie through 15 minutes of the first half.

CLC then missed its last nine shots of the half and Harper ran off a 12-0 run for a 36-24 halftime lead.

The opening minutes of the second half were crucial to CLC's chances and the hosts responded.

Two hoops by Washington, and another by David Tucker trimmed the lead to 36-30. Baker scored twice to bring CLC to within 36-34.

Harper's lead went back and forth between two and four points until a tip-in shot by Washington and a Todd Gordon hoop tied it at 48 with 7:48 left.

CLC built up a six-point lead on two Baker free throws and baskets, and two baskets by Washington made it 56-50 CLC two minutes later.

The Lancers secured the win by making 10 of 12 free-throw attempts in the final three minutes.

Difficult Year For Gymnasts

A lack of depth, tough competition and inexperience added up to a long season for Warren Twp. High School's gymnastics team.

Coach Debbie Hughes' gymnasts won just one dual

meet in 13 tries and did not qualify anyone out of regionals.

"We're in a tough league and we were not very deep," Hughes said.

On the bright side, all of the 17 gymnasts are eligible

to come back as no seniors were on this year's squad.

Hughes said she hopes team members continue to improve in the off season.

"I hope they will stick with it," the coach said.

Carmel Beats Warren To Advance In Tourney

by STEVE PETERSON

This was what the Illinois High School Association means by "March Madness".

Thirty minutes before the opening tip-off of the Warren-Carmel boys basketball game for the Libertyville Regional championship, the stands were three-quarters full. By the second half of Carmel's 61-59 overtime thriller Feb. 28, portable benches had to be brought in to accommodate the over-flow crowd.

The contest, one of three regional finals in Class AA to go overtime, featured a Warren-dominated first quarter, a Carmel-dominated second quarter and a rally by Warren from five points down with 90 seconds left in regulation.

In the end, Carmel beat Warren for the second straight year because the Corsairs held their own in a fierce rebounding battle and

played the type of three-quarter court defense Warren simply had not been exposed to.

"The difference was their defense. It was excellent," Warren coach Darrel Bader, whose Blue Devils finished 21-6, said.

For Carmel coach Frank Belmont, Carmel's second straight trip to the Waukegan East sectional, the win was made possible because of gritty senior leadership.

"The key point was when we started to get offensive rebounds. And we were able to do that because the kids do that every day in practice. It's a great tribute to the senior leadership," Belmont said.

Belmont's team improved to 16-11 on the year and earned the right to face Loyola, 17-10 in the opener of the Waukegan East sectional March 4.

Three seniors led Carmel's offensive attack while

holding off Warren's physical players. Rod Whittier led the way with 15 points, George France had 14 and Rodney Lambright 12. Junior Rob Graham contributed 12.

"I like that place," Whittier said of Waukegan East's gym.

Belmont said the Corsairs making it to the Sweet Sixteen a year ago helped.

"It was certainly a motivating factor," he said.

Carmel suffered some lumps from Warren's inside attack, but held the Blue Devils in check. Forward Bob Bell had 12 points along with guard Pat Kowalski who had 12 as well, including an outside jumper that sent the game into overtime. Center Al Davis had 11 and Brian Jarrell 10.

"They banged us around pretty good. But we did not let them take us out of our game," Graham said.

Graham pointed to an all-around team effort.

"Coach Belmont always

says we win as a team and we lose as a team," Graham said.

Warren played one of its better first quarters of recent memory. The Blue Devils made 10-for-16 shots in the opening quarter in racing to a 20-12 lead. A Bell hoop with :30 left gave the North Suburban Conference champs the eight-point margin.

"That was the best first quarter we've played in a long time," Bader said.

"There was a lot of anxiety on our bench when we were behind 20-12. We faced a tremendous amount of adversity. We had to do something to get more of an up-tempo game," Belmont said.

Warren opened a 25-16 lead with four minutes left in the second quarter on a three-point play by Russ Nolan.

Carmel then put on an 11-0 spree the rest of the quarter for a 27-25 halftime lead.

"We just applied more pressure defense. We used our number four defense, a 2-1-2 zone and made them shoot from the outside," Whittier said.

Both teams played not to lose in the third quarter, which Carmel won 14-13 to extend the margin to 41-38 entering the fourth.

Carmel had two excellent chances to secure a regulation win.

After a Jarrell hoop brought Warren to within 45-44, buckets by Carmel's Graham, Lambright and two Whittier free throws made it 51-44 Carmel with 2:38 left.

Carmel then missed four free throws out of the remaining seven tries, allowing Warren to still have hope.

"We were shooting 50 to 60 percent from the free-throw line early in the year so I stopped having the kids shoot free throws in practice and told them to work on it on their own. We have been shooting 75 to 80 percent the

last 10 games. It had to level off some time," Belmont said.

Jarrell's layup with :56 left made it 54-52 Carmel.

Neither team scored for a frantic 50 seconds before Kowalski hit his outside wide-open outside jumper with :6 remaining. That sent Warren's fans into a frenzy.

Carmel drew first blood in the overtime session as France's hoop made it 56-54. A 17-footer by Joel Elfering tied the game with 2:20 left, the last time the two teams would be tied.

Lambright, who had missed two free throws in the fourth quarter, made two and connected on a baseline jumper for a 61-57 lead.

Belmont praised the Blue Devils' season.

"They are a class program and had a fantastic, tremendous season," he said.

But for the second straight year, it will be Carmel in the sectionals.

Off-Season Practice Needed

Improvement and off-season practice is the goal that Wauconda sophomore basketball coach Jim LePage sees as helping the team get into shape.

The Bulldogs sophomore boys' basketball team ended their season with 1-22 overall

and 1-12 in conference.

Leading scorer for the team was Chuck Cermak who averaged 10 points per game. Mark Sutherland was the Bulldogs' leading rebounder averaging seven rebounds per game.

LePage said that those

returning to the team next year will have a chance to become "instant starters."

"They could easily get a lot of playing time, but they will need a lot of off-season work, though," he said. "There's still a lot of improvement to be made."

Kessel Blames Officials For Season-Ending Loss

by STEVE PETERSON

Mundelein boys basketball coach Dennis Kessel showed the scorebook for all to see.

Besides the fact of a 44-42 loss to Warren Feb. 25 that ended the Mustangs' season in the first game of the Libertyville regional, Kessel named one statistic as the difference.

"It's hard to play against seven guys," Kessel said of the officiating, noting a 20-3 difference in free-throw tries favoring Warren.

"I can't see how the IHSA would allow a guy like Jim (referee Czocher) to officiate a Warren game. He's buddy buddy with them. Seventy-five percent of his calls were made in Warren's favor," Kessel said of Czocher, who coached football at WTHS.

Particularly troublesome to Kessel were calls made against Mundelein's big force inside, Jay Retzinger as opposed to non-calls on Warren's inside players.

Retzinger picked up his

fourth foul and had to sit out most of the third quarter. The Mustang's lone representative on the all-North Suburban Conference team finished with 10 points. Retzinger fouled out with 2:30 left and Mundelein ahead 40-38.

Jim Tipperreiter led Mundelein with 12 points.

The loss ended the Mustangs' season at 12-13.

"The kids played very well and prepared well. We felt if we could make Warren play 84 feet and keep their guard, Joel Elfering, off the foul line, we'd have chance," Kessel said.

And the Mustangs did.

They had the ball with the game tied at 42-all with :22 left.

But Warren's Brian Jarrell intercepted an errant pass and put home a layup that won the game with just three seconds left.

The loss was in many ways symbolic of a disappointing season. The Mustangs started fast, had their chances

but could not execute when the game was on the line.

"One of the problems all year was getting the kids to execute in key situations," Kessel said.

The Mustangs held a share of second in the NSC before a late-season losing streak dropped them to fourth place.

Mundelein started the regional opener as though it would knock off the Blue Devils, whom they were facing for the fourth time.

An early 8-2 spurt and strong rebounding Warren did not score a field goal for 2:53 had elapsed, made it 10-5 after one.

The lead grew to 14-5 early in the second quarter on baskets by Tipperreiter and Jeff Geary.

Warren then got back into the game, outscoring Mundelein 18-9 over six minutes for a 23-all halftime tie.

Mundelein won the third quarter 13-9 for a 36-32 lead after three.

Lower Curtain On Rams

by DAN G. O'SHEA

The curtain was lowered on the Grayslake Rams' 1985-86 basketball season, Feb. 25 when they fell victim to the Round Lake Panthers for the fourth time this season in the Round Lake Regional tournament.

Grayslake Head Coach Greg Groth commented that the Rams were not at their best in the 78-58 loss. "I really don't think we played very well," he said.

The Rams were losing 21-12 at the end of the first quarter and were behind by as many as 12 points during the second quarter, but rallied to come with four points of the Panthers when the first half ended at 36-32. Groth said, "After coming back we really needed to start the second half off with a bucket, but it didn't happen."

Bill Sangbusch, 6-3 senior forward, led all scorers that night with 19 points, his

season high. He also had 10 rebounds to lead the Rams. Groth was pleased with his play during the season. "I really think Bill should have made the (Northwest Suburban) all-conference team, but he didn't get one vote." Sangbusch finished the season with 159 points, second only to leading scorer Tom Castino. He also had 69 rebounds in the last six games, an average of nearly 12 a game.

Sequoit's Finish High

The Antioch girls' basketball team ended regular season play on a top note by taking second place in the North Suburban Conference with a 13-5 record.

The last regular season's game against Stevenson on Feb. 27 was a close and exciting one with the Sequoits winning in a double overtime.

After winning six games in a row, Antioch started

regional play in Round Lake against fourth place Grayslake at Round Lake on March 3.

"If we win the regionals and go on to the sectionals we'll have a chance to take on Libertyville again and possibly redeem ourselves," said Coach Harold Abramson, referring to the Sequoits' vendetta against the Wildcats who account for

two of their five defeats.

Leading the Antioch team in victory were Shannon Gooch, forward and Denise Maple who was all conference last year and bids for that spot again this year.

Guards Dori Harp and Kim Alfano as well as junior Julie Sexton (just off the injured list) were also instrumental in bringing the Sequoits a winning season.

Winnebago County Is Where The Water Is

Oshkosh offers much more than overalls, b'gosh, but is probably best known for them. It lies midway on the west shore of Lake Winnebago, on U.S. Rte. 41, about 85 miles past Milwaukee. Winnebago County is perhaps Wisconsin most water oriented county, as 78 of its 454 square miles are water surface. The Fox River enters Lake Winnebago at this point and accounts for it being an early trade center among American Indians and settlers.

Oshkosh was formally founded in 1836 by Webster Stanley, its first permanent settler. The city was named for Chief Oshkosh, a Menominee Indian leader who, at the early age of 36, directed his tribe and worked with the whites. He died at age 63 knowing that his people had suffered in treaty arrangements that saw a half million of their last holdings sold to the government at 5 cents an acre. Once, dressed in white man's clothing, he regarded himself in a mirror and exclaimed, "Don't I look awful. These clothes fit me like the white man's law fits the Indian."

Approaching the popularity of Oshkosh B'Gosh overalls, is the International Fly-In

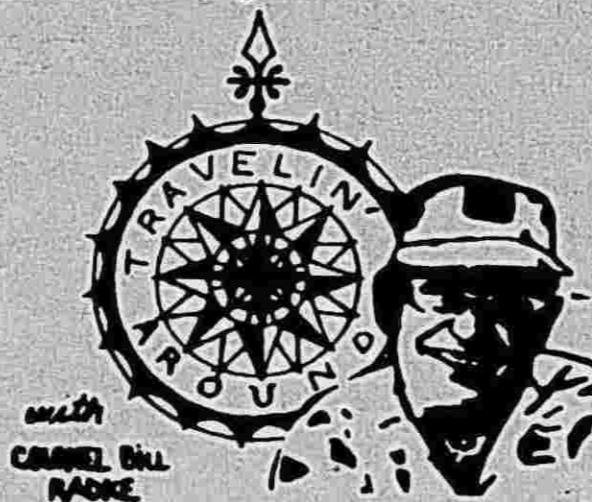

Convention, scheduled in July for its 34th year. Ever-growing plans may exceed the 1,760 show planes registered for the five-day get-together. Some 15,000 transient aircraft arrived and recorded over 64,000 aerial movements during that week.

Information concerning the Inn and the Valley Queen can be obtained by a free call to 800-242-0372.

There are numerous campgrounds in and around Oshkosh that offer recreational boating and fishing. Boating and camping is a new combination for the upcoming Mid-States Boat, RV, Van and Camping Show. Scheduled for opening Wednesday, March 12, at the O'Hare Expo Center in Rosemont, it will run through Sunday, March 16. Nothing makes a travel and camping experience more satisfying than nearby water recreational facilities. Companion displays of boating and camping equipment prepare visitors for that happy combination of personal outdoor recreation for self and family.

Also on display will be the African Queen, the boat used in the famous movie of the same name. The show opens at 3 p.m. weekdays and 11 a.m. weekends. Adult admission is \$5, for children under 13, \$2.

Withholding Calculation Can Clear Up Questions

A major concern of many taxpayers is the amount of taxes being taken out of their paycheck. Another source of worry may be whether or not the W-4 form has been properly completed. According to the Illinois CPA Society, an easy-to-follow withholding tax calculation can clear up any questions about withholding of weekly wages.

Withholding is the Federal government's way of collecting tax on employee's income. Employers figure out how much of a person's wages should be taxed based upon information received when a W-4 Form is filed, the form received at the time a new job is started. Because the form is so complicated, many people incorrectly fill out W-4s.

Fortunately, because only three months have passed in 1986, it is not too late to straighten out any withholding problems by filing a new W-4. The sooner, the better. In fact, it is an opportune time, since the details of 1985 tax returns are fresh in mind.

Consider filing a new W-4 with your employer if a large refund from the IRS is expected as a result of having too much withheld from last year's wages. A big refund means, because of information given to them, the government withheld too much taxes, and Uncle Sam

got an interest-free loan, CPAs say.

A new W-4 should be filed if too little was withheld from a person's paycheck. If that was the case, a large amount in taxes had to be paid when the 1985 tax return was filed. Withholding should be adjusted to have more deducted on a weekly basis. To avoid penalties imposed for having too little withheld, one should pay at least 80 percent of tax liability during the current year, or pay an amount equal to or greater than the 1985 tax liability.

Another important reason to consider filing a new W-4 is if any significant changes are likely to occur in one's financial situation. For

people who purchased their first home this year, for instance, the mortgage interest and local tax deductions on 1986 returns, warranting an extra exemption on the W-4, thereby having less income withheld.

Significant amounts of interest or other sources of income will require additional amounts to be withheld. Also, if more than 14 exemptions are claimed on the W-4, an employer is required to notify the IRS.

If further assistance is needed in sorting through the withholding questions or if other tax planning issues need to be resolved, consider getting the help of a local CPA.

Work To Begin For New Office

The First National Bank of Waukegan has announced plans to open a full-service office at Rts. 41 and Delany Rd. in Gurnee.

Construction will begin soon on a permanent office and drive-up banking center. Meanwhile, the bank will begin serving customers right away through a temporary office on the site. The temporary office will open in late May/early June, according to bank officials.

The expansion into Gurnee

is the bank's first office outside of downtown Waukegan. Gurnee was selected because it puts the bank at the threshold of Lake County's growing business and residential areas.

In addition to serving hundreds of present and new customers in western Waukegan and Gurnee, the bank anticipates this new office will be a springboard to serving increasing numbers of personal and business banking customers throughout the county.

Innovative Builder Gives People What They Want

Richard J. Brown, innovative builder in the Lakeland area was recently installed as president of the Home Builders Assn. of Greater Chicago (HBAGC).

Almost 4,000 homes have been built over the past 25 years by Brown, who is president of Cambridge Homes, Inc., headquartered in Libertyville. To date, the homes have been built primarily in the north and northwest suburbs.

"My market research showed that people want long-lasting, attractive homes in tastefully-landscaped communities," said Brown, and that is what he has been striving to give them.

Brown's business background is different from the average builder, since he came into the housing industry from the corporate structure, having worked with major national corporations. As a result of this, he has a strong marketing and business background.

In 1961, Brown formed his own company and began Westbrook Farms, a 500-home single-family community in Wheeling, and the first of many such communities.

Among Brown's most innovative projects, is Vacation Village in Fox Lake.

This recreation-oriented 500-home community was the first major second-home community built in the Midwest. The following year, he started another unique project, a 1,000-unit retirement community, Leisure Village in Fox Lake.

At the end of his five-year contract as president of Leisure Technology Midwest, Brown decided to resign from Leisure Technology and continue building communities under the Cambridge Homes' banner.

Since the mid-seventies, Brown has continued to develop single-family and multi-family communities in such suburbs as Libertyville, Mundelein, Vernon Hills and Spring Grove as well as other locations.

Apart from all the residential communities built to date, the firm has constructed two shopping centers in Libertyville, an office building and the Oak Valley Sports Club. The firm is presently planning more neighborhood shopping centers.

Cambridge Homes offers a wide range of housing types and sizes to meet all lifestyle requirements, from smaller 'starter' homes in the \$60,000 price range all the way up to lavish custom homes in the \$200,000 plus bracket.

For example, the company is now offering Manor Homes, priced from the low 60's to the high 70's at Cambridge Chase in Mundelein for the entry-level and empty-nester market. These are two and three-bedroom, 1-1 1/2 and 2-bath homes with inside garages. Meanwhile, another phase of Cambridge Chase offers Garden Homes for the same markets, priced from the low 70's to the high

80's. These are attached single-family homes that come together on the lot line.

Larger, "move-up" detached single-family homes for growing families are being built at Cambridge West in Mundelein, priced from \$92,000 to \$135,000. In a similar price bracket are the homes of Springdale Trails in Spring Grove, which offers homes with equestrian trails alongside, priced from \$95,000 to \$125,000, including one-acre lots. The buyer has the option of purchasing the builder's models or building their own homes, although the firm retains the right to exercise architectural approval.

The recently-opened Custom Division includes a series of designs in the \$200,000 plus category for construction on lots offered for sale by the builder or those already owned by people in the general Libertyville area. The Cambridge Designs can be modified to suit customers' individual requirements. "There's no limit to the size and price categories but generally there is a good, strong market for the executive seeking a really elegant house in the \$200,000 plus range," said Brown.

"If the price gets much over that, then it is usually for a house that was specifically designed for people by their own private architect and that becomes a different market," he added.

Brown did not elaborate on specific future plans but stated simply: "We intend to remain a dominant force in the Greater Chicago building market."

He continued: "My concept is to build a strong company that is able to accomplish something in this industry rather than just buying some lots, building some houses and moving on to the next place. I think in terms of corporate responsibility, an on-going, efficient, company rather than just house-building. There is a significant difference there."

Brown enjoys taking a piece of land and turning it into a finished community where people live and raise their children. He views each community as a lasting monument that is going to go on for generations.

There is a professionalism in building that many people don't understand. It is not just going into get zoning and putting up a house," Brown said.

Brown has helped to accelerate the increasing values of his homes through innovative marketing techniques. In one project, he donated landscaping as housewarming gifts to the first 20 families to move into the community. Individual landscape designs are now prepared and presented to the buyers for every house the firm builds.

Over-all visual effects are important to Brown. For example, in most of his Cambridge communities, rather than trying to generate the absolute maximum number of lots in

a subdivision, he frequently creates larger corner lots so that the houses can be angled and driveways curved graciously into the site.

Brown was an innovator in enhancing the value and prestige of his communities by offering an extensive array of attractive exterior variations for his homes rather than minor changes of window and color treatments, available from many builders.

The importance of having a theme for a community is also stressed by Brown. Various housing types and elevations should blend together, and the proper coordination of exterior

Wide Range Of Housing

Richard J. Brown, president, Home Builders Assn. of Greater Chicago (HBAGC), and president, Cambridge Homes, Inc., specializes his work in providing a wide range of housing types and sizes to meet all lifestyle requirements. Here, he is pictured at Cambridge Chase in Mundelein, in front of the new model Manor Homes.

coordinator to ensure that the selection of colors and materials will blend nicely.

"Basically, when you build a house you are putting up four walls, a basement or slab and a roof," Brown said. "Most builders are using the same building materials, with modifications. Every good builder follows good standards, but the difference in the house and community is in thought, care and good taste. It is how you put those materials together, and how you exercise your quality control procedures that is important."

The firm always keeps a few inventory homes going for those customers who might require immediate occupancy.

Brown's work schedule consists of 10 to 12 hours a day, six days a week, but he does not consider himself a workaholic. He is quick to acknowledge the dependability of a very strong corporate team. When the company was smaller, Brown was involved in every aspect of the decision-making process. Now, he concentrates on land acquisition, over-all marketing, planning and financial decisions and designing new models.

"Once the broad-stroke decisions have been made, I

His oldest son, Doug, an attorney, takes a strong part in the administrative part of the firm, as well as for the commercial and multi-family projects. His younger son, Scott, is sales manager of the Cambridge West project. Brown's daughter, Kathi, is not involved in the business; she is a social worker.

Brown is actively involved in the Village of Libertyville, where he lives and has his home office. He resides in a larger version of one of his own model homes in The Oaks, an area that his firm built with one-acre lots 17 years ago. He is chairman of the village's Urban Planning Advisory Commission.

In Mundelein, Brown is on the Development Board of Carmel High School.

Other than these, Brown's main involvement is with builder organizations. He is a director of the National Assn. of Home Builders (NAHB); a director of the Home Builders Assn. of Illinois (HBAI); and now president of the Home Builders Assn. of Greater Chicago (HBAGC). He is also an officer and director of the Greater Chicagoland

Taxpayers Can Find Help Close To Home

Taxpayers in northern Illinois who need help preparing their basic income tax forms can find tax assistance close to home, J. R. Starkey, Internal Revenue Service district director for northern Illinois, has announced.

Through the Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) Programs, IRS-trained volunteers will help fill out tax forms of low-income and elderly taxpayers who cannot afford a professional tax preparer.

Temporary VITA and TCE sites are set up in churches, schools, libraries, community centers and other locations convenient for taxpayers. Some offices also have Spanish-speaking volunteers.

VITA volunteers are members of local civic and social organizations, college students or other persons who want to help. TCE volunteers are members of the American Assn. of Retired Persons. All assistors attend IRS training courses in basic tax preparation before qualifying as volunteers. Many have been volunteers for several years.

VITA/TCE volunteers offer assistance which is often closer to home and has more flexible hours. VITA assistance is geared to the low-income and Spanish-speaking. TCE specializes in assistance for taxpayers age 60 and over.

Starkey encouraged taxpayers needing assistance to bring their labeled tax package and other records and receipts

such W-2 forms and interest statements. They should also call the local site since many operate on an appointment basis. He reminded taxpayers that filing early means a quick refund.

In conclusion, Starkey noted that many taxpayers wait until the last few weeks of the filing season to seek assistance. He suggested instead, that taxpayers visit their local VITA/TCE site now. Filing early means a quick refund.

The following is a list of VITA and TCE sites in the Lakeland area:

North Chicago Community Center (TCE), Argonne Dr. and Lewis Ave., North Chicago, Wednesday, 9 a.m. to noon. For appointment, call (312) 689-8100.

Edgar Visits Libraries

Sec. of State Jim Edgar has awarded two Lakeland libraries, Round Lake and Warren-Newport, with state grants worth \$250,000. The purpose of the grants is to aid in the construction of a new library in Round Lake and for the expansion of the Warren-Newport facility. The grants were made possible by a \$3.5 million appropriation to the Illinois State Library through the Build Illinois program.—Photo by Jody Lewand.

Periodic Health Checks Are Recommended

Question - Do healthy people really need a routine physical examination on a yearly basis?

Answer - The medical profession now generally is recommending periodic health evaluations specifically related to age and disease risks. At different points in our lives, our chances of developing some diseases are greater than at others.

For example, a mature woman is at greater risk for breast disease than a young girl. Generally a combination of self-evaluation and professional evaluation is desirable.

I recently reviewed a chart suggesting routine physical exams for healthy people every one to two years for age two to 20, every five years for ages 21 to 40, and one to three years for age 40 and above. In addition to these exams, you should plan age-specific screenings.

Age-specific screenings should include a risk-factor analysis indicating both controllable and uncontrollable risks. Uncontrollable risks include age, sex, and family history for specific health conditions. Controllable risks generally include weight, smoking, exercise, stress, and alcohol intake.

There are circumstances that may alter the controllability of some of the health risk factors. These risk-factor analysis will guide you on priorities for life style change.

Reading body signals and becoming more aware of your individual body reactions to diet, pollution, and stress will assist you in choosing your program to maintain health. Learn to relate how you feel physically,

mentally and emotionally to your particular dietary intake. What you eat today usually effects you within a twenty-four hour period.

The most accurate way to evaluate your dietary effects is to keep a food diary of everything you eat for seven to 10 days. Near the list of food intake, summarize your feelings, such as; slightly depressed and tired or happy and energetic.

Pat D's Nutrition Today

Pat DeAngelis is a nutrition consultant to American International Hospital, Zion. Readers with questions about the food and liquid they consume are invited to address questions to Pat D's Nutrition Today, Lakeland Newspapers, P.O. Box 268, Grayslake, Ill. 60030.

At the end of the week, you should notice a pattern relating to your diet and physical well being. Along with dietary intake, become aware of your bodies' ability to digest and assimilate properly. Watch for signals, such as, chronic or prolonged indigestion, heart burn, canker sores, constipation or diarrhea.

Also, if you are not obtaining adequate physical, mental, and emotional energies after eating you may need additional guidance for a balanced diet, exercise and supplement program.

I-SEARCH Program Effective

Since the inception of the Lake County Sheriff's Police I-SEARCH Unit, there has been a reduction of missing, runaway and abducted children reports, Sheriff Robert H. Babcox has announced.

There were 234 reports filed with the sheriff's police, Babcox said. The unit was formed Feb. 25, 1985, he added and in 1984, there were 321 reports. Since 1980 the sheriff's police was averaging 288 cases a year. Of the 234 reports, 129 were female, Babcox said.

"Unfortunately, missing children that run away are sometimes faced with social and or psychological

problems at home or at school," Babcox said.

There were multiple runaway reports on 37 girls and boys, he added.

The unit has highlighted eight youths in the news media. To date, only Scott Lee Schulze, a three-year-old Winthrop Harbor boy who was abducted by his non-custodial mother, is still being sought. Scott was last seen Nov. 17, 1985.

All missing youths reports are considered I-SEARCH cases, Babcox said.

The Lake County Unit was among the first five state simultaneously funded agencies last year, he said.

"We are making inroads in an effort to further reduce missing children reports, the sheriff said, "because we (in law enforcement) have better tracking systems." Babcox also thanked the news media and the public for their support, which opened new leads in some investigations.

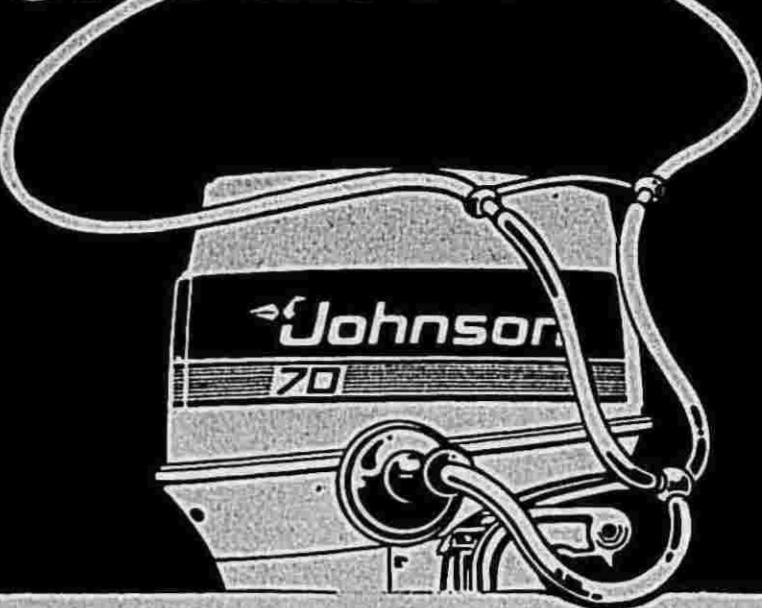

Anyone having information on a missing, runaway or abducted child is asked to call the Lake County I-SEARCH (Illinois State Enforcement Agencies to Recover Children) Unit at (312) 244-KIDS or the state hotline number, (1-800) U-HELP-ME, Babcox concluded.

I-SEARCH Program

Lake County Sheriff Robert Babcox and Cheryl Sircher, I-SEARCH social worker, discuss one of the ongoing investigations. Since the inception of the Lake County Sheriff's Police I-SEARCH Unit, there has been a reduction of missing, runaway and abducted children reports, Babcox has announced.

Council To Meet

The Central Lake County Arthritis Action Council will meet Sunday, March 9, at 2 p.m. in the cafeteria of Condell Hospital in Libertyville. Carolyn Aehl, physical therapist at Condell Hospital, serves as professional advisor to the council.

Gail Crutcher, director of physical therapy at Condell will speak on "Management of Head, Neck and Facial Pain." He is a well-known authority on this subject and has done much research on it.

The objective of the Arthritis Action Council is to provide a forum for arthritis patients and their families to get together in an environment that is optimistic, informative and supportive.

Young Illinois instrumentalists will be given an opportunity to compete for \$18,000 in scholarships in a televised concert with the Chicago Symphony Orchestra in the second annual Illinois Young Performers Competition, established by WTTW/Chicago, Illinois Bell and the Chicago Symphony Orchestra.

Applications are being mailed to music teachers throughout the state this week.

Carolyn Aehl, physical therapist at Condell Hospital, serves as professional advisor to the council.

A brief business meeting will be held and refreshments will be served. If you want to learn more about arthritis (there are over 100 kinds) and meet others who have arthritis, the Central Lake County Arthritis Action Council can help you.

For additional information on the council, please call Condell Hospital, Physical Therapy Dept. 362-2900, Ext. 5350.

St. Patrick's Parade Leaders To Ride Buggy

Two senior citizens whose surnames have the ring of the Olde Sod will lead Lake County's St. Patrick's Day parade at 4:30 p.m. Monday, March 17.

They are Mrs. Jessie O'Grady, 94, who came to the county at age 16, and Bob O'Farrell, 89, Waukegan's gift to professional baseball and an all-time big league catcher.

They'll be riding in a 1913 Studebaker surrey furnished by Skokie Valley Asphalt Co., Grayslake, drawn by a matched team of horses made available by Ed Frederick of Grayslake.

The parade, open to Irishmen of all ages and all would-be Irishmen, will wind its way through downtown Waukegan, ending in the parking lot of Immaculate Conception Church, 510 Grand Ave., Waukegan.

Harry Kilbane and Bernard Drew have been named parade marshals.

Mrs. O'Grady as a girl worked for Harry Kilbane's mother. She'll be ready to tell stories about how she babysat the Kilbane children and bounced Harry, a retired businessman and well known county political figure, on her knee.

Music Students Compete For Scholarships

The telecast and scholarships are being underwritten for the second year by Illinois Bell as part of its program to enhance the cultural environment of the state.

The concert, conducted by the young American conductor, Hugh Wolff, will be presented in Chicago's Orchestra Hall, June 3 and telecast live with TV stereo sound by WTTW/Channel 11 and other television stations in Illinois. The telecast will

be broadcast simultaneously by radio stations throughout the state. Those who are selected for the concert through a rigorous audition procedure will compete on stage for the scholarships.

The competition is divided into two age groups: the junior division for students up to 15, and the senior division for high school students from 15 to 19. There are three categories: piano, strings, and other orchestral instruments.

All qualified applicants will be heard in preliminary auditions scheduled for April 16 at Orchestra Hall. Up to three finalists from each division will receive special commemorative medals from the Sudler Foundation for Musical Arts. It is from this group that competitors for the WTTW/Illinois Bell Scholarships will be selected.

First place winner in the senior division will receive \$5,000 in scholarships,

second \$3,500 and third \$2,000. In the junior division, the first place winner will receive \$4,000 in scholarships, second \$2,500 and third \$1,000. Selection will be made by a panel of three judges and Hugh Wolff.

Entry forms and brochures listing details for the competition may be obtained by writing Youth Auditions, Orchestra Hall, 220 S. Michigan Ave., Chicago, IL 60604. Deadline for entries is March 14.

*We know how you feel
about your
high-interest
mortgage!*

*Now you can refinance, get a lower rate and
save on those monthly payments*

If you're holding a mortgage with interest of 13% or more, then you've experienced the frustration that accompanies every monthly mortgage payment. If your rate is an adjustable one, your frustration will no doubt intensify in coming years as your rate continues to climb.

Fret no longer.

Libertyville Federal is prepared to offer you an opportunity to start putting more of your monthly mortgage payment toward reducing your principal and less toward an expensive interest payment. The "opportunity" is the option to refinance at a lower rate.

To qualify, your home must be owner-occupied. Refinancing can be made for the sole purpose of reducing your monthly mortgage payments or to help finance home improvements, college tuition, or investment opportunities. Equity required will vary depending on the purpose of the refinancing.

Why waste your monthly mortgage payments on high interest, when you could refinance your home at a lower rate and put more of your hard-earned dollars into owning your home!

Stop by any of our four convenient offices for a free assessment of how your mortgage payments may be reduced. It costs you nothing and may save you a lot of money...and frustration!

Waukegan Native Opens 1st County C.P.O. Business

by DEVON NELSON

The loss of a leg or an arm can be a very frightening and traumatic experience.

However, once the initial shock of an amputation has settled, many people undergo prosthesis and begin to live relatively normal lives, according to Donald R. McKinney, a Certified Prosthetics-Orthotics (C.P.O.)

On Feb. 3 McKinney, a Waukegan native, opened the only Prosthetic-Orthotic business in Lake and McHenry Counties.

This should be quite a comfort for patients who are currently traveling to Chicago or Milwaukee for prosthesis.

Located in the Orchard Lane Medical Building, 2634 Grand Ave., in Waukegan, McKinney designs, fabricates, and fits artificial limbs and orthopedic braces. He also custom fabricates shoes for diabetic and arthritic feet.

"I do everything right here in my office from the casting to the last brush stroke," McKinney said.

"I prefer to do it myself, because once I've examined a person I understand exactly what their particular needs are."

At age 33, you might say that McKinney has been in the profession for half of his life.

According to McKinney, prosthetics has undergone quite a renaissance in the past couple of years, unfortunately, most people aren't aware of the changes.

Such innovations, which McKinney asserts will revolutionize above and below the

knee prosthesis are the CAT-CAM (Contoured Adducted Trochanteric-Controlled Alignment Method) and the NANS (Normal Alignment Normal Shape) prosthesis.

Unlike the standard prosthesis, which is reported to be rather discomforting and painful to a patient because of its design, the CAT-CAM and the NANS because of its new design and soft innerlining reportedly will allow a patient greater comfort and flexibility.

McKinney, who fabricates this modern day prosthesis for his clients, says it has only been adopted by 20 prosthetists across the country.

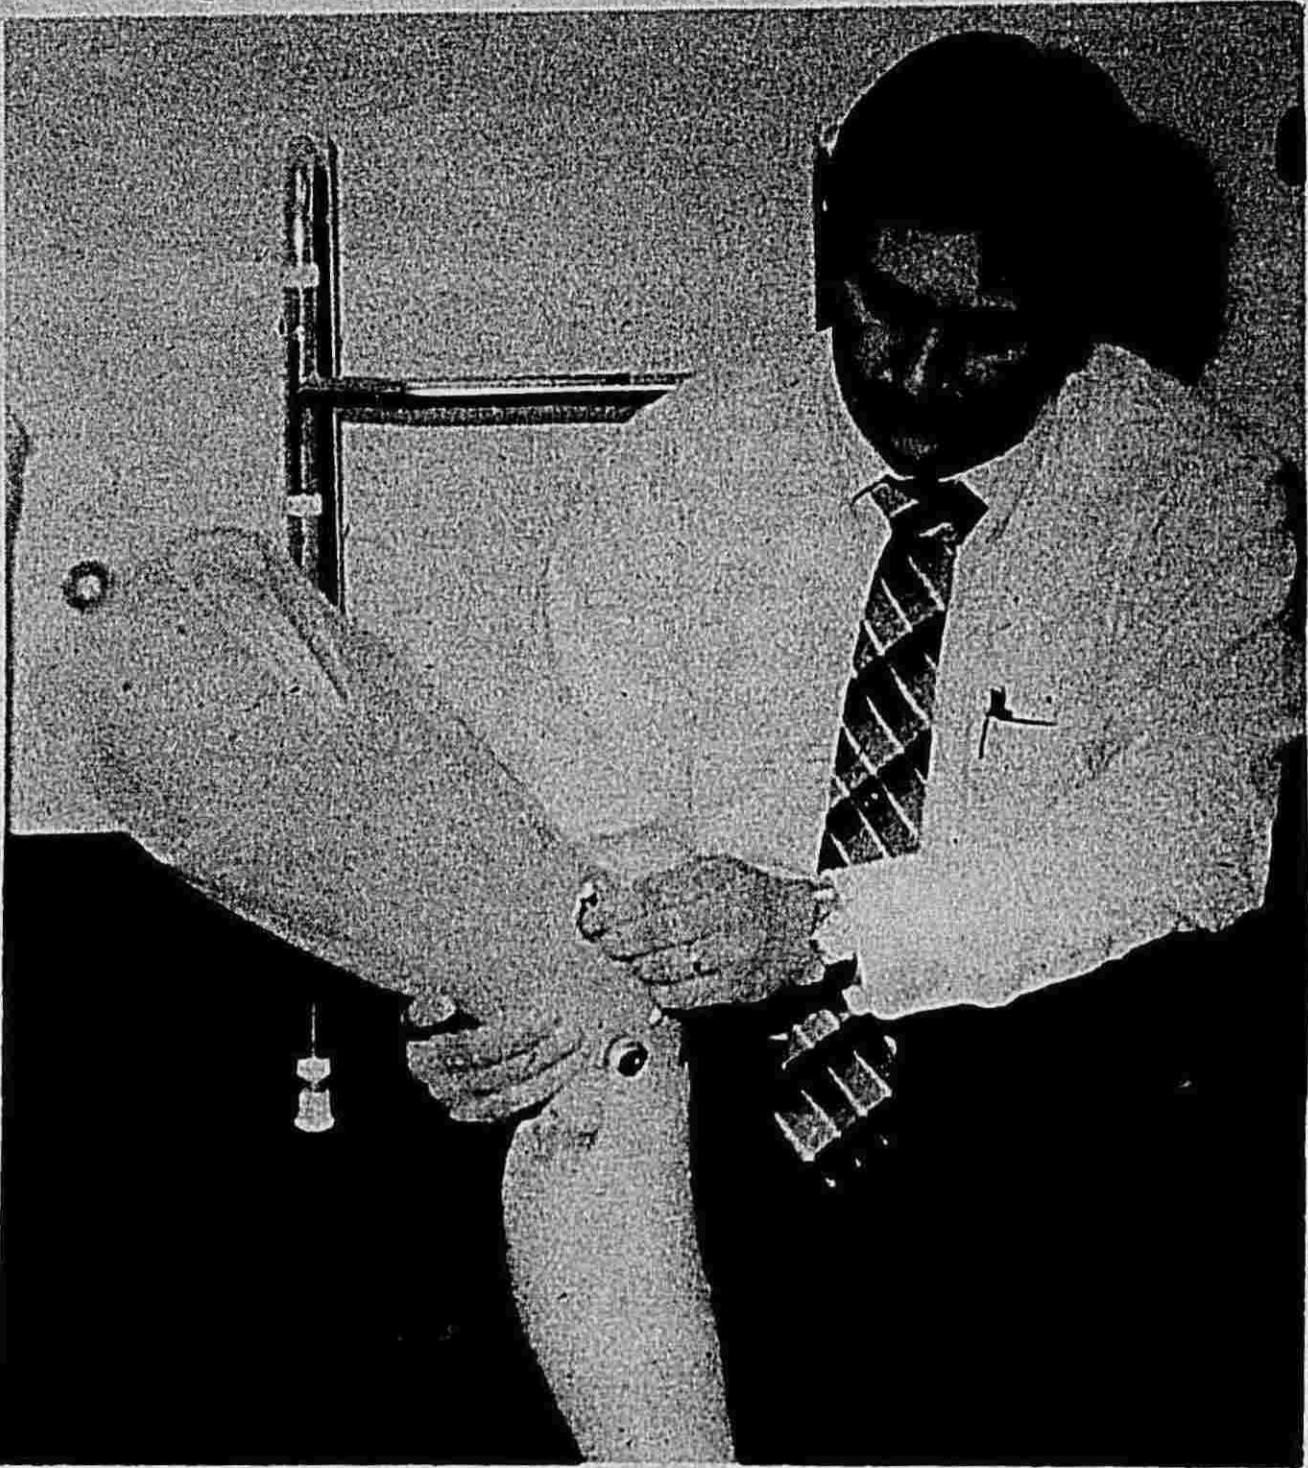

McKinney's first real exposure to prosthetics, occurred after joining the army. While attending combat medical school in San Antonio, Tx., McKinney said he overheard that a program for prosthesis was going to be offered by the army.

The only catch, said McKinney was that only 14 applicants from the entire U.S. Army would be selected.

Although his chances seemed pretty slim, McKinney said he applied for the school and within six weeks he had his orders notifying him that he had been accepted for the program.

After his tour in the army, McKinney continued his prosthetic education at Northwestern University in Chicago.

Since graduation, McKinney has operated offices in Utah and Idaho, with his latest office being in Racine, Wi.

Name Churchill Ranking Officials Investigating GOP On Committee

State Rep. Robert W. Churchill (R-Lake Villa) has been named the ranking Republican on the Illinois House Revenue Committee, according to House Republican Leader Lee Daniels (R-Elmhurst).

"The Revenue Committee is one of the most powerful and important committees in the House," Daniels said. "During his tenure on the Revenue Committee, Bob Churchill has demonstrated unparalleled fiscal expertise. His appointment is well deserved."

The House Revenue Committee considers changes in tax laws, the lottery and other methods of raising revenue for state and local governments. The panel also

monitors the fiscal condition of the state, to assure that spending does not exceed revenue. A bill to freeze state utility taxes was approved by the committee last year and enacted into law.

"Many people think the Revenue Committee only deals with state income and sales taxes," Churchill said. "But, the truth is, the committee considers all aspects of taxation and revenue. For example, this year the committee will likely consider changes to legalize 'Las Vegas Night' fundraisers."

Churches, private schools and other not-for-profit organizations have long depended on casino events as a way of raising money

for deserving causes, Churchill said. However, he said any legislation legalizing these events must contain strict safeguards to prevent organized crime from participating.

Rep. Churchill is also a member of the House Committees on Registration and Regulation, Transportation and Motor Vehicles, and Judiciary II.

Total damages caused to Round Lake's Brass Wheel Restaurant have been estimated at \$300,000, according to Greater Round Lake Area Fire Protection Dist. Interim Chief Rocky Pelletiere.

Pelletiere said the building is basically a total loss, but added that there might be a possibility of salvaging part of the first floor.

No official word is being given on the cause of the blaze, but fire officials are saying it most likely started in the kitchen broiler of the restaurant.

The five-alarm fire started at approximately 2:30 p.m. Feb. 24 and it took 11 area fire departments to put it out.

Owner of the building, Tony Scardino, had reported

tedly been making a bowl of French onion soup in the broiler when the fire broke out.

There were no fatalities involved and firemen did an excellent job of preventing it from spreading throughout downtown Round Lake.

An investigation of the blaze is still being conducted by the Grayslake, Libertyville and Gurnee fire departments.

BRING US YOUR SKILLS

Our growing group of Illinois and Wisconsin Newspapers has several opportunities open now in a fast-paced, exciting field.

Retail/Display Advertising Sales

Lakeland Newspapers is looking for a uniquely qualified person for our sales department. The applicant must be a self-motivator, highly organized and very dependable. This job will involve sales calls outside the office.

The applicant must demonstrate skills in interpersonal communications, creativity and personal responsibility. The applicant will work with a minimum amount of supervision. Since this position involves making contacts outside the main office, a car is necessary and mileage compensation will be made.

This job is not an easy one, but if you are persistent, outgoing, dependable, responsible and organized, you will be a success.

GURNEE ZONING NOTICE

PUBLIC NOTICE is hereby given to all persons in the Village of Gurnee, Lake County, Illinois, that a public hearing will be held in the Gurnee Municipal Building, 4573 Grand Avenue, Gurnee, Illinois, on March 26, 1986, at 7:30 P.M., on the petition of Mobil Oil Corporation to amend or change the terms of the Gurnee Zoning Ordinance No. 80-29, by amendment, so as to grant a variance for certain real estate described as follows, to-wit:

That part of Lot 2 in Warrendale Acres, a Subdivision of part of section 16, Township 45, North, Range 11 East of the Third Principal Meridian, described as follows: Commencing at a point on the East line of said Lot 2, a distance of 487.6 feet, North of the Southeast corner thereof, thence West at right angles to the last described line, a distance of 46.37 feet, thence North parallel with the East line of said Lot 2, a distance of 150.00 feet to the Southerly right of way line of Grand Avenue, thence Southerly along said Southerly right of way line, a distance of 50.00 feet to the East line of said Lot 2, thence South along the East line of said Lot 2, a distance of 131.3 feet to the point of beginning, in Lake County, Illinois.

That part of the Northwest quarter of Section 16, Township 45 North, Range 11, East of the third Principal Meridian, described as follows: Commencing at a point on the East line of Lot 2 in Warrendale Acres Subdivision, a distance of 487.6 feet North of the Southeast corner thereof, thence North on the East line of said Lot 2, a distance of 131.3 feet to the Southerly right of way line of Grand Avenue, thence Southerly along said Southerly right of way line, a distance of 54.36 feet to the West line of the Commonwealth Edison Company right of way, thence South along the West line of the Commonwealth Edison Company right of way, a distance of 110.96 feet, thence West a distance of 50.41 feet to the point of beginning, in Lake County, Illinois.

The requested variance would allow the construction of an overhead canopy with a front yard setback of 9'4" instead of the required 27' setback.

Said property is located on the southwest corner of Grand Avenue and Cemetery Road.

Said petition and request are on file and available for examination in the office of the Zoning Administrator at the Gurnee Municipal Building, 4573 Grand Avenue, Gurnee, Illinois.

All persons interested are invited to attend said hearing and be heard.

Dated: March 3, 1986
